Ishiye Isithombe Senqubekela Phambili Inkomfa Yezokubuyiselwa Kwemhlaba

Abalimi baseMpumalanga ngesikhathi bethamele inkomfa ebiqhubeka

Inhlangano yabalimi bakamoba iSouth African Farmers Development Association isingathe inkomfa yezinsuku ezimbili esifundazweni saseMpumalanga nokwakudingidwa kabanzi ngezinselelo ezibhekene nabantu asebabuyelwa umhlaba wabo kodwa abawusebenzisa ngaphansi kwemigomo nemibandela yabalingani babo esiFundazweni iMpumalanga nagcina asebashiya becwile ezikweletini futhi bengenzi nzuzo ngomhlaba wabo.

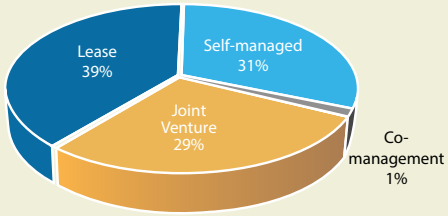
Lenkomfa yayibanjelwe ngaphansi kwesiqubulo esithi:

"Umhlaba awuhlomulise abantu abafanele emphakathini"
Kanti lenkomfa ibithanyelwe izinhlaka ezahlukene okubalwa abaLimi ababuyelwa umhlaba wabo ngabodwana,amalungu amakomidi ezikhungo ezithinta ezomhlaba,Abamele abanikazi bamaprojekthi asebenzisana nabanikazi bomhlaba,abemboni kaShukela kanye nezinhlaka ezifanele ezazimele iminyango kaHulumeni waseMpumalanga.

UHLA LWAMAPHUZU OKWAKUDINGIDWA NGAWO KWINKOMFA:

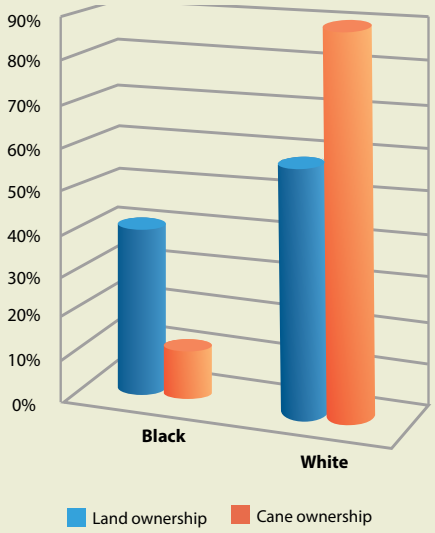
1. Izinselelo eziqhamuka ngezivumelwano ezenziwa kade kusayindwa izinkontileka phakathi kwabanikazi bomhlaba kanye nabanikazi bamaProjekthi abasebenzisana nabo.
2. Ukuqhamuka nezindlela zokuqeqesheka kwabalimi ukuzebebenamakhono okuphatha ibhizinisi.
3. Ukufaka isicelo sezimvume sokuba nendlela ebagunyaza ukuthola ugesi namanzi ngendlela efanele.
4. Ukuqhamuka nezindlela ezingasiza abalimi ukuze babe yingxenye yamabhizinisi ezolimo bephinde bakwazi ukudayisa imikhiqizo yabo
5. Ukuqhamuka nezisombululo ezinkingeni ezifanayo eziphakanyiswe abalimi ikakhulukazi labo abaphakamisa ukungagculiseki kwabo ngokuthile(Concern groups).
6. Ukuqhamuka nezisombululo kwizinkinga eziqhamuka nezindlela ezisetshenziswe ukusingatha udaba lokubuyiselwa komhlaba

Imboni kaShukela ibone umhlaba olinganiselwa kumaphesenti angamashumi amabili nambili (22%) umhlaba obekutshalwa kuwo umoba usuka ezandleni zabantu abamhlophe ubuyela ezandleni zabantu abamnyama. Lokhu kuhlanganisa umhlaba ongama-hector angu 76 538 womhlaba obuyisiwe, lokhu kubala amaphesenti angamashumi amane (40%) kuphela omhlaba okutshalwe kuwo umoba. Uhulumeni wakuleli usesebenzise imali engaphezulu kuka R2,3 billion ukuthenga amasimu kulabo ebebengabanikazi bawo abamhlophe ezindaweni ezingaphezulu kwamakhulu amabili namashumi amathathu nanye(231) (Truts and CPA's). Izindlela eziningi ebezisetsenziswa ngemuva kokubuyiselwa komhlaba bezibala izivumelwano zokuthi labo abebevele belisebenzisa leloPulazi eselibuyele emphakathini beqhubeke belisebenzise ngaphansi kwesivumelwano esithize kanti labo bangamaphesenti angamashumi amathathu nesishiyagalololunye (39%), labo abaziphathele amaPulazi abo babalelwa kumaphesenti angamashumi amathathu nanye(31%) bese labo abaphethe ngokubambisana nabanini bakudala bangamashumi amabili nanye (29%) bese kuthi labo abawaphethe ngokubambisana bewumphakathi bayiphesenti elilodwa (1%) noma bevele besebenza kulowomhlaba. Kanti ngaphandle kwamaphesenti angamashumi amane (40%) omhlaba kamoba osezandleni zabantu abamnyama, abalimi bamoba abasalima ngokuncane kanye nabalimi ababuyelwa umhlaba wabo bakwazile ukubamba iqhaza ekwenzeni umkhiqizo olinganiselwa kumaphesenti asuka kwishumi nambili kuya kwishumi nanhlanu (12%-15%) ngonyaka kwimboni kashukela.



Lezibalo zikhombisa ngokusobala ukuthi umhlaba osezandleni zabantu abamnyama awudingi nokuthi kwenziwe izivumelwano ezigcina zivimbela abantu abamnyama ekutheni bakwazi ukuthi bazandisele izindawo zokulima. Kanti noma umhlaba usubuyelile kubanikazi bawo, abantu bebala elimhlophe basasebenza kulomhlaa bephinde bezenzele inzuzo kuwona. Iningi lemiphakathi ezuzile ekubuyisweni komhlaba kwimboni kaShukela basingathwe izinkinga zokuba sezikweletini. Kunesibalo

Kwesokunxele: Selby Mamba- SAFDA Agricultural Support Manager, Siphiwe Sithole Isekela likaShlalo wakwaSAFDA, Siyabonga Madlala Ushlalo ka SAFDA ngesikhathi kunesithangami sabezindaba



esikhulayo kulemiphakathi ezuzile ngesikhathi sokubuyelwa umhlaba salabo bantu abakhombisa ukungagculiseki ngendlela izinto ezisebenza ngayo ngenxa yokuthi labo abasemakomidini omphakathi bengakwazi ukubavezela kahle inzuzo abasuke beyenzile uma sekumele kuhlukaniswe imali nzuzo. Indlela esetshenziswayo ngemuva kokubuyiswa komhlaba ikhombisa ukungakwazi kahle ukusebenzela abalimi abamnyama kanjalo nokuthi kuzuze abanikazi bomhlaba,okungumphakathi. Ukubuyiselwa komhlaba akuyisebenzeli imiphakathi eminingi ingakho kukhona isidingo esikhulu sokuthi kubhekisisiswe kahle lendlela esetshenziswa uhulumeni yokubuyisa umhlaba kanjalo nokuqinisa ukuthi abalimi abamnyama bayakwazi ukuthi bethole uxhaso olufanele.

Abalimi ngesikhathi belalele izinkulumo kwiNkomfa ebebeyithamele

Uhlelo Lukamanyolo Selutakule Abalimi Abalima Ngokuncane

Kwesokunxele iNhloko yomnyango WezoLimo e-KZN, Lindiwe Hlubi;Isekela likaShlalo wakwaSAFDA Kanye noSifiso Mnguni Inhloko yomnyango wezabalimi kwaSAFDA ngesikhathi kuvakashe umnyango wezoLimo eSezela

INHLANGANO yabalimi iSouth African Farmers Development Association (SAFDA) yethule ngokusemthethweni uhlelo lukamanyolo (Fertilizer Project) Loluhlelo lwethulwe endaweni yaseSezela oGwini nesiFundazwe saKwaZulu-Natali ngonyaka owedlule. Loluhlelo lukamanyolo beluxhaswe nguMnyango wezokuthuthukiswa kwezindawo zaseMakhaya kanye nokuBuyiswa koMhlaba. Lolu xhaso lufike ngemuva kokuthi le nhlangano yafaka isicelo kulo mnyango sokuthi ingabe iyiphi indima engadlalwa wumnyango ukunciphisa izindleko zokutshala zabaLimi abasalima ngokuncane.

Umnyango wabe usunika uxhaso lwemali engu R133 066,553 ukusetshenziselwa ukuthenga umanyolo ngesikhathi sokutshala kumhlaba ongama-Hektha angu-35 000 kulolo hlelo kwahlomula abalimi abangu-11 000 esiFundazweni saKwaZulu-Natali kanye naseMpumalanga. Kuzokhumbuleka ukuthi lenhlangano yangena kwisivumelwano sokusebenzisa (Service Level Agreement) nomnyango kusukela ngonyaka u-2018 ngenhloso yokulekelekela abalimi.

Oyinhloko yalo mnyango esifundazweni saKwaZulu-Natali uMnuz. Siza Sibande uthe njengohulumeni kade bazilungiselela ukuthi njengomnyango kumele benikezelo ngosizo olufanele kubalimi bakulesifundazwe ngoba kuwumsebenzi wabo ukuthi bakwenze". Umanyolo yiwona oyizindleko kakhulu kubalimi ngakhoke ukunikwa kwabalimi uxhaso lokuthenga umanyolo sinethemba elikhulu lokuthi kuzophunguka umthwalo emahlombe abo bese kubasiza kakhulu nasekutheni bakwazi ukwenza inzuzo ezobaphilisa ngomkhiqizo wabo ozobe uthe xaxa."Kusho uSibande.

OnguSekela-Shlalo wakwa-SAFDA uLindiwe Hlubi uthe ngesikhathi kuqhamuka nombono wokuthi bacele uxhaso kuhulumeni inhloso yabo babezama ukuvikela imboni kashukela ukuthi ingawi, futhi kusizakale nabalimi abalima ngokuncane."Kwasikhathaza kakhulu singu-SAFDA sisanda kusungulwa ukuzwa ukuthi kuthiwe babelinganiselwa ku-50 000 abalimi abalima ngokuncane ababekhona kulemboni sibe sesingenelela ukubanika usizo esiluthola kuhulumeni ngemuva kokuncipha kwesibalo njengoba bebalelwa ku-19 000 abalimi abasekhona abalima ngokuncane."

Omunye umlimi wabalima ngokuncane wasoGwini uBheki Mhlane uthe baluthokozela kakhulu uxhaso lukamanyolo abalutholayo luzobasiza ukunciphisa izindleko ababhekene nazo zokutshala "Emasimini ami bengihlezi ngibhekana nengcindezi yokubiza kamanyolo uma sekushaya isikhathi sokutshala lokho obekungenza ngibuye ngikungabaze ukuqhubeka nokutshala umoba ngenxa yokuthi bengigcina ngayiboni inzuzo''. Ukuba ngumlimi kamoba kwenze impilo yami yabalula kakhulu ngakwazi ukufundisa abantwana bami ngabakhela nekhaya kumanje abanye bashadile bahlala emizini yabo ngenxa yemali engiyenza ngokutshala umoba". Kusho uMdluli.

UMdluli uqhube ngokuthi umanyolo abawuthola kwa-SAFDA kanye nakuHulumeni udlale indima enkulu emapulazini lakhe,uthi kumanje umoba wakhe usubukeka umuhle unomsoco futhi uluhlaza kahle uma uqhathanisa nowangesikhathi sangaphambilini.
"Bengisezinhlelweni zokususa zonke izimpande zikamoba ngiqale phansi yonke into kodwa indodakazi yami yabe isingitshela ukuthi angifake uhlobo lukamanyolo wakwaSAFDA okuthiwa i-5:1:5 yilapho ngaqala khona ukubona umehluko emasimini ami kuze kube yimanje konke kusamile ngendlela efanele. UMdluli uthi kumsize kakhulu ukuba ngaphansi kwabaluleki bakwaSAFDA nababizwa ngamaFarmers Development Advisors (FDA) ngoba bakwazile ukumfundisa ukutshala umoba ngendlela okuyiyona baphinda bamfundisa nokuthi iyiphi indlela efanele yokufaka umanyolo emhlabathini kanye nokufaka isibulala nambuzana kanye nokhula. "Bengijwayele ukutshala noma ikanjani futhi nginganaki kokunye indlela engitshale ngayo kodwa ngemuva kokuqeqeshwa ngendlela efanele ngabeLuleki bami ubemkhulu kakhulu umehluko ekutshaleni kwami".
UMdluli uthi uyafisa ukubona abantu abasha bengena emkhakheni wezoLimo yize abanye bebona lomkhakha njengodelelekile futhi bewubuka engathi owabantu abangafundile.
"Intsha yanamuhla izitshela ukuthi ukuba kulomkhakha wokulima mhlampe yingoba ungenayo into ongayenza empilweni kanti iyakhohlwa ukuthi ezoLimo zidlala indima enkulu ngisho nasekuthuthiseni umnotho". Kuphetha uMdluli
