Intsengu yekubhadala balimi bemapulazi lamancane

I-South African Farmers Development Association (SAFDA) iphindze yaguba lenye futsi iphumelelo lenkhulu yebalimi beftu. Kuwo lomhlangano lobekhona enyangeni Inhlaba 2021, iCouncil (Board) ye South African Sugar Association (SASA) iphasise intsengu leshe yemali yebalimi labasatfufuka lekusamba lesinganga R60 tigidzi. Loku bekuyincenye yemsebenzi we Sugarcane-Based Value Chain Master Plan le bekufanele icinisekise kwelekelwa kwe balimi bemasimi lasemancane nekukhumbula ngekutimisela kwe small-scale farmer Master Plan.

Balimi kulemboni yashukela babhadalwa nge luhlelo leRecoverable Value (RV) lebhadal ngalokutfolakala ngemkhicito kuze kufolakale sivono lesihle. Balimi bemapulazi lasemancane bahlangabetana nebumatima bekukhicitwa umoba losesimeni lesikahle lokubangelwa simo semnotfo lesiphuyile, kubakhashane nesigayo semoba, nekuswela emathuluzi ekulima. Imali ye RV itfolakala ngekutsi imboni itsengise shukela neluju lolucwengwa emobeni tikutsengisele timakethe takuleli kanye naleti taphesheya. Timakethe taphesheya tiyalahlekelwa, tibuye tisalelwe ngushukela ngalesimo lekulawulwa ngaso intsengo yawo. Lokukweyiphamisa kakhulu inzuzo yemalimi labancane. Imali ye premium iniketa balimi imali leyemukelekile etimakethe lebakhelene nato ibuye ibancephetelise kulokulahlekelwa kwasetimakethe taphesheya iphindze yente bulungiswa lobuchumene nelizinga netindzawo tabo tekusebenta.

I-SAFDA yasungulwa ngemnyaka wanga 2015 yasungulelwa kusebenta nome

kumelana nekuncipha kwebalimi bemapulazi lamancane iphindze icinisekise kugcineka kwabo bonkhe balimi bendlu yalabamnyama embonini lapho kuphila kwabo bekungaphansi kwencindzetelo. Dkt Siyabonga Mdala ukhulume watsi: "kuyintfo lefanele kubongwa nekugujwa kubona kutsi siyi SAFDA sikhonile kufu lenye yetinzuzo tebalimi beftu kulesikhatsi lesifishane lesibekhona ngaso. Lesamba semali asimange site kamalula. Kubite kwekutsi i-SAFDA ime sibindzi ngalesikhatsi labanye labakhona kulemboni lesebaneminyaka leminyenti kulomsebenzi bakhala lite ngekungakhoni. Sibese siyabakhumbuta kwekutsi balimi bemapulazi lamancane kufute kube ngibo laba ngumgogodla walemboni ngekwekuya ngekwemgomo we Master Plan".

Lemali yentsengo yepremium itawungetwa kulena yetingucuko taka SASA letaphasiswa ngamhla tingu 29 Lweti 2018 letinganga R1 yetigidzigidzi ngetulu kwa 5 iminyaka. Ngekuya kwalesikhwama sengucuko, R200 yetigidzi ibhadalwa balimi njalo ngemnyaka ngekwekuya ngebabusi sibili labangu original Singenelelos 8 laba le inkapani ibabinse ngekutsi ifake naletinye tihlelo letifaka ekhatsi timali temifundzate yenkapani neku sekela tifundvo letawuba nemtselela ekuphakamiseni ingucuko kulemboni yashukela.

Kulemali lebekelwe kucala ingucuko emnyakeni wanga 2021/2022, balimi bemapulazi lamancane baniketwe R118 tigidzi lebabhadalwe yona, balimi be bemhlaba lobutisiwe bona batfola R51 yetigidzi. Leluhla lolulandzelako luveta tigaba tekungenelela nemali yepremium uma sekubhadalwe nelinani lelibekiwe.

I-SAFDA iffokote kakhulu ngekubona lushintjo ngetinkhulumo letivakala ngekhatshi emagcekeni emboni. Sinesiciniseko sekutsi loku kutawenta umtselela lomuhle kubalimi betfu. Sebatawuba nemali leyanele nome leyengelekile ngetikhatsi lapho umshini uvalwe khona futsi batawukhona nekutinikela ekusebenteni lokutawutfutukisa inzuzo nekutfola ematfuba entsengo yemoba sewuwonke. Lokungenelela konke sekuhlangele kutawusita ekugcineni balimi betfu labadvonsa kamatima.

Sincoma kakhulu nalabo lesisebentisana nabo kulemboni labakhombise kutinikela kulengucuco yemboni yetfu lokusho kwekutsi balimi betfu batawuphila sikhatsi lesidze.

SAFDA 2020/21 umhlangano lovamile wemnyaka (AGM)

Ngeti 30 Inyoni 2021, i South African Farmers Development Association yabamba umhlangano wayo wesi 6 lekumhlangano lotayelekile wemnyaka (Annual General Meeting) lebewubanjelwe enhloko hhovisi yayo leKwaShukela. Bangu 50 bantfu lebebele kulomhlangano basuka kuto tonkhe tindzawo tekusebenta te SAFDA, lokufaka ekhatsi labasuka eMpumalanga. Lomhlangano wemnyaka (AMG) ufaka ekhatsi banikati bemsebeni kanye nebacondzisi belibhodi balenkapani. Kuvamise kwekutsi ngaso lesikhatsi banikati bemsebeni nebacondzisi bahlangane emnyakeni, kwentela kutsi bacondzisi batewufu umbiko wenkapani walomnyaka. Kungeta kuko nekutsi tonkhe tinhlango llinelichaza netifso kulenkapani tiniketwe lifuba lekuhlanganyela ekucocisaneni kwe nkapani, lomhlangano wemnyaka uphindze futsi unikete lifuba lekubonisana, kucushisana, tinkhulamo mphikiswano kanye nekutsatsa tincumo.

Nga phambi kwekuba kucale lomhlangano wemnyaka (AGM), emalunga acale abanemthandazo kanye kanye lapho tintfo letimcoka tibese tiyafuwa emthandazweni. Sihlalo Siyabonga Madlala,

enkhulumeni yakhe yekuvula, ukugcizelele kwekutsi lomnyaka ube ngulo nemvelo kakhulu. "Kube ngumnyaka losezingeni lelisetulu kakhulu. Sicale lomnyakatimali ngesikhatsi kumisiwe konkhe. Loku kube nemtselela lomkhulu kakhulu kubantfu nemhlaba wonkhe ngetindlela latinyenti letahlukene. Emabhizinisi ahluleka, bantfu balahlekelwa ngimisebeni, labanye balahlekelwe timphilo tabo kanye nebantfu babo ngetindlela letsahlukene. Silahlekelwe ngulabanye bebalimi betfu kuto letikhatsi, ngifisa kundlulisa kudvuta kwami kubo bonkhe labalahlekelwe ngulabasondzelene nabo" kusho Dkt Madlala.

Lamavi ekwamukela asihlalo alandzelwe mavi elisekela sihlalo, Lindiwe "Lee" Hlubi, lokubeke ngalokusebaleni watsi i-SAFDA iyi "tsunami" lengavimbeki lesolomane yenta emagagasi embonini yashukela. "Silitsemba lokugcina kulabatigidi lababalimi labancane (SSGs) nebalimi labaletsa lushintjo lemhlaba e South Africa. Siyala kubahlulekisa. Siphume etikhatsini letimatima kulesifundza. Lomnyaka lobewusezingeni lelisetulu kakhulu lowandlula wanga 1994 lobowunebumatima

nekungaphephi lokwashaya balimi kamatima. Lapho balimi labangetulu kwalabangu 34 batsikameteka kabi ngalesikhatsi kubakhona labashisa umoba babanga umonakalo. Ngekwelinani lemali, lokushisa kwabita cishe R37 yetigidzi" kusho Hlubi

Njenge ncenye yalombiko, CFO we SAFDA ukuvete kancane indlela lenhlangano isebente ngayo kuleminyaka timali yanga 2020/2021. Kulombiko wekuhlolwa kwemabhuko eMfuyi Business Service, akukho kuphulwa kwemtsetfo lokuffolakele, lokucinisekisa kwekutsi lenhlangano yenta tincumo tetimali letikahle kakhulu. Kulombiko we CFO, balimi bavete kukhatsateka kwabo mayelana nekwaliswa kwesicelo semchaso timali wahulumende leti inhlango leyatitfola eminyakenitimali leyendlulile lokubangelwe ngulenkhotsamave njengoba hulumente njengoba hulumente bekufanele akhiphe timali tekusita kulesimo lesimatima. Kulombiko wemnyaka lowetfuliwe emhlanganweni we AGM, kanye nelirekhodi letimali, kwatfulwa/kwasebenteka ngalokube yumphumelelo.

Manyolo we SAFDA

I-SAFDA inandzawo yokwenta manyolo (Fertilizer Blending UMSHINI LOHLANGANISA MANYOLO) endzaweni yase CatoRidge, enshonalanga ye Durban. I-SAFDA Fertilizer Company yasungulwa ngenyanga ye Nyoni 2018, imbangela yekutsi i-SAFDA isungule inkapani yayo yokwenta manyolo bekukwehlisa intsengo yamanyolo kubalimi bayo. Balimi basebentisa imali lenyenti ekutsengeni tintfo lebasebenta ngato lokufaka ekhatsi manyolo. Inkapani itsengisa manyolo wayo ngemanani lasephansi kakhulu langayifaki imali yentselo (VAT). Dennis Kondonis lonenzawo yekuhlanganisa manyolo, utsi konkhe kuhamba kahle nangendlela lefanele enkapanini ye SAFDA yamanyolo. Sikhatsi sekuhlanyela singulesine bumatasatasa nemsebeni lomnyenti. "Sinemabhizinisi lamanyenti, ikakhulu phakatsi kwebalimi labasetindzaweni tasemakhaya lawutsandzako manyolo we SAFDA. Intsengo yawo ingulena lephansi sibili uma icatsaniswa neya lomunye manyolo lotsengiswa nguletinye tinkapani", Kuchaza Dennis. I-SAFDA Fertilizer Plant kusasengiyo yodwa leyenta manyolo we urea ekZN. Ngiko lokwenta i-SAFDA Fertilizer yehluke uma icatsaniswa naletinye tinkapani letenta umsebeni lofanako.

Balimi bemoba babonakali balijabulela lelinani lelubabuyelako uma batsenga manyolo waka SAFDA njengoba kubenta bakhone kutsenga manyolo lowenele lotabachuba kuyo yonkhe inhlanyelo yabo, futsi kungeke kubente bonakalelwe incenye yensimi yabo ngoba bangenayo inhlanyelo. "Uma sekusikhatsi sekukhulisa sibona balimi labanyenti beta batewutsenga manyolo wetfu ikakhulu laba labatilimela emasimu aasemakhayaa abo, nemasimu lasemancane ngenca yalentsengo" kusho Dennis. Loku kunemtselela lomuhle kulenkapani ya SAFDA yekwenta manyolo ngaalokusti letintfo letidzingekako kute kwentiwe lomanyolo tiffolakala kuyona lendzawo lekusentjethwa kuyo.

Njengoba le-plant icala kusebenta ngemnyaka wa 2018, kunelinani lelitsite lemsenti lodzingekile kulokusungulwa, lenkapani yalomshini lohlanganisa manyolo idzinga kulekelelwa ngekwetimali. i-SAFDA Fertilizer isebentisa indlela yekubhadala ngaleso sikhatsi uma utsenga i (COD) lokungasiyo indlela lesentjetiswa balimi labanyenti. Le idzinga kuchaswa ngetimali kute itewu khona kusebenta njengaletinye tinkapani letenta umsebeni lofanako. Dennis utse lenkapani isadzinga kutfolela imichaso timali yahlumende kukhulisa lomsebeni nekukhicitela balimi. "Sesihambisile emaphepha eticelo temali yalomsebeni leku michaso timali yahlumende, kwanyalo siyavisa kwekutsi matfuba angaba mancane ekwekutsi siffole lemuchaso timali njengobe sibukene nalelibhubhano kulelive lonkhe, futsi imali ingulefakwa etintfweni letimitamo yeku lawula lokwandza kwalelibhubhano". Kusho Dennis

Lomshini wekuhlanganisa manyolo ikhona khukhicitela emathani langalingasilwa kulangu 10 000 yemasaka ngenyanga iyinye, bese kutsi ngelilanga lenkapani lehlanganisa manyolo ikhona khukhicitela emasaka langetulu kwalangu 450 yemathani ngelilanga. Lempi lenebudlova ne kungaphephi lebeyibhedvuke KwaZulu Natal nase Gauteng ekucaletu kwalomnyaka, lapho kubekhona kushiswa nekutatjwa kwetintfo emabhizinisini, nanoma bekunjalo i-SAFDA Fertilizer Blender ayimange ilimale, kwamane kwahamba kancane ngacishe 80% njengobe tisebemnti betingakhoni kuta emsebenitini, kantsi nanatsi besingakhoni kutfwala letitfo lesitisebentisako ekwenteni manyolo (raw materials) njengoba lesifundza besiphathamisekile nayo yonkhe intfo beyimile kungasebenteki. Kulesikhatsi lesikuso tonhke tintfo tibuyele esimeni nemsebeni uyachubeka enkapanini yamanyolo." Kusho Dennis

Balimi labanyenti be SAFDA ikakhulu labenkapanini yashukela, bazuze kakhulu ekutsengeni manyolo lokhicitwa yiSAFDA njengoba utsengiswa ngemanani lasephasi langakhonwa nguwonkhe muntfu. Uma kungabakhona lafuna lwati ngentsengo ye SAFDA Fertilizer ungachumana na Ms. Ayanda Khulu on 060 547 4240 noma utfumele incwadzi ye email ku akhulu@sa-SAFDA.org.za

i-South African Farmers Association (SAFDA) lhole umshuco loya emahhovisi le Democratic Alliance (DA) endzaweni ya KwaZulu Natali. Umbiko bewusebaleni, i-SAFDA beyifuna kutsi Annette Steyn amise loluhlelo lwakhe lokunganaki lwe "kuhlukanisa ne kubusa" lolubhebhethsekise bubi emkhatsini webelimi labasemtsetfweni emimmangweni, lokungaba yimbangela yebudlova, lilaka kanye nenkani, lokungabuye kuvulele kulaba labake baba banikati bemhlaba baphambilini eMelmoth labangazange batiphatsa ngalokusemtsetfweni litfuba lokwekutsi babuye futsi batewutsatsa lamapulazi lasaniketwe lemiphakatsi. I-SAFDA icele Annette Steyn, lolilunga lephalamende lomele iDA MP lobuke litiko letekulima nekubuyiselwa kwemhlaba nekutfufukisa kwasemakhaya, kutsi asuse lenkulimo yakhe layishicilele ku webhusayithi ye DA, nasetinhlelweni tekuchumana mayelana SAFDA lokubonakala lebonakala icwaya ngekwelibala naleyentelwe kwakha luchekeko ibuye yokhele umsindvo emkhatsini kwemmango webantfu labamnyama. "iSAFDA ayemukeli futsi iyayisola indlela yakhe lakacabanga ngayo yekucwaya ngekutsi i-SAFDA isebentisana njalo nelitiko letekulima, kubuyiselwa kwemhlaba nekutfufukisa kwasemaphandleni (DALRRD). "i-SAFDA akusiyo yodvwa inhlango leyemukela imichaso yetetimali ku Litiko letekulima" kusho Dr Siyabonga Madlala, sihlalo we SAFDA.

Tikhona letimnye tinhlango letitimele naletingachaswa nguhulumende letiholwa ngibo belibala lelimhlophe, letinye takhona tisebenta khona kelemboni yashukela letisolo tabakhona nanamuhla tisasungula tinhlelo tekusita emapulazi lachaswa nguhulumende etimalini, kodwa kuyabonakala kwekutsi Annatte umelene ngalokungesilo liciniso nalenhlango yefu, ngobe ubonakala abambelele emcabangweni wokutsi yonke into lephetfwe mgumuntfu lonyama inenkholakalo. I-SAFDA idvumele kakhulu mayelana nasento sekutsi i-DA nobe yena Anette amange afike kutewemukela lencwadzi (memorandum) nanome batiswa

kucala, ngelisuku, sikhatsi, kanye netizafu talombhikisho wetfu ngekuya ngekwemtsetfo loshicilelwe ngalokucodzile (SECTION 4) wemhlangano lobanjwe nebemtsetfo lomele timiso mayelana netekuhlangana (Regulation of Gathering Act, Act 205 of 1993). "Sidvumele kakhulu mayelana nekutsi kubete namunye losuka kulenhlangano yeDA lophumelele kuta atomukela lencwadzi, kepha lesento asimange siwehlise umoya walabalimi labebakhona basuke etindzaweni leahlukene letikhashane kusukela kulase KZN nasesifundzeni seMpumalanga kutewuvakalisa kutfukutsela kwabo mayelana nele nalamavi akhe Anette Steyn," kusho Dkt Madlala.

Nanoma lomshuco ubekhona, kepha i-SAFDA isoloku inesifiso sekuyokhulumisa nelikomidi lelitiko letekulima, kubuyiselwa kwemhlaba nekutfufukiswa kwasemaphandleni kutsi iyocacisa kabanti ngalemibuto ya Steyn ngobe i-SAFDA kute lekufihlako. Sesivele simubhalele sihlalo kucela litfuba lekuyewetfula embikwelikomidi labo. Umbiko wentfufuko lomayelana nemisebenti lesiyentako siwutfumele etikweni, lekungulesikukhulumile na Steyn, lokufazela ngalokugcwele inhloso yenhlangano' lekukusita belimi betfu siphindze sibeke tidzingo tabo phambili. Sente umsebenti lohambisana naloku litiko belimele liwente. Lomchaso timali lobewenta Steyn abenemibuto udlale indzima lenkhulu kubalimi labanyenti labebadvonsa kamatima etimalini tekutsenga tinsita tokulima.

iSAFDA ushuca uya emahhovisi e DA KwaZulu- Natali

Ngamhla tingu 18 Inkhwenkhweti 2021 I South African Farmers Development Association (SAFDA) yabamba setfulo nebetindzaba eNloko HHovisi yenkapani yashukela eMountain Edgecombe. Isetfulo saveta tindlela letimcoka le iSouth African Farmers Development Association (SAFDA) isebenta ngato kanye nekuchaswa ngetimali kwalomsebeni. Isetfulo nebetindzaba savulwa ngusihlalo wenhlangano longu Dkt Siyabonga Madlala lowacala ngekuveta kusekelwa kweNkosi yesive semaZulu lesa lekunguNkosi Misizulu wa Zwelithini ngulenhlangano. Watsi "Siyi SAFDA sifuna kutinikela ngekusekela lokuphelele iNkosi lesa yaka Zulu, sinelitsemba lokutsi sibalimi sitawukhona kusebentisana kahle kakhulu neNkosi njengoba kungiyoyeyengamele nome umnikati walomhlaba lesilima kuwo".

Anwhar Madhanpall, GM: SAFDA Farm Management Services ekukhulumisaneni nebetekuchumana mayelana nekuchaswa ngetimali kwemisebeni ye SAFDA watsi lomkhakha ulahlekelwe linani selisetulu kakhulu lelilinganiselwa ku 23% yemikhicito ngenca yekukhula kwashukela lobuya emaveni angaphandle lokwenta kutsi belimi labancane babukene nekuwa lokubangwe ngiko lokulahlekelwa. iSAFDA icele kakhulu ku litiko letekutfufukisa kwase makhaya nekubuyiswa kemhlaba kutsi kusitwe balimi lababe nekuphatamiseka lokukhulu ngendlela yekutsi besebafuna nekuyekelalomkhankasowetekulima. Madhanpall ukhulume watsi "iSAFDA banelitiko bisayine i-MOU kanye ne-LSA, kwabese kuba nemali lengu R71M lebekiwe kwentela kulekelela balimi bemapulazi lamancane ngamanyolo lebatawusebentisa ngemuva kwekuvuna". Loku kuniketa linani lelingu 213 750 yemasaka amanyolo laniketwe kubalimi labakhulisako labangu 9594. Balimi baniketwe emasaka langalinganiselwa kula 5 amanyolo ngelimogeni, lokusho kutsi balimi batawuba na 42 750 emamogeni emoba ngemuva kwesivuno ekupheleni kwalehlilelo kusho Madhanpall ngalesikhatsi enta

Setfulo lesifishane setekuchumana se SAFDA

lesatfulo. Uchubeke watsi umangabe bekungekho kwelekelelwa labalimi bebatawuphoceneleka kwekutsi baboleke imali lebeyitawusentjetiswa kuchuba umsebeni ngemuva kwesivuno sabo semoba etindzaweni tabo.

Lokhulumela Umthfonjeni Farmers Association, sihlalo, uMntwana Mandla Zulu ukhulume watsi laba labake baba banikati bemhlaba phambilini baveta indlela yekusebenta ngekubolekisa umhlaba iminyaka lengu 35, lenye yekusebentisana (Joint Venture (JV)) kube ngu30/70 indlela yekwabelana lemuvuna banikati bemhlaba baphambilini yeban. Imiphakatsi ibese ichumana neSAFDA kwetfula lenye yemibono leyehlukile lephikisana nalena leyatfulwa banikati bemhlaba baphambilini. I-SAFDA ibese itfula lenye indlela yekusebentisana lapho 100% wemali leyentiwe utoya kubanikati bemhlaba bese 5% ubhadalwa

SAFDA ngebuka wonke lomsebeni kuye ngendlela lokusentjantwe ngayo. Zulu utse kuna 4 kule 5 imiphakatsi lekhetse kusebentisana neSAFDA.

iSAFDA icele kakhulu ku litiko letekutfufukisa kwase makhaya nekubuyiswa kemhlaba kutsi kusitwe balimi lababe nekuphatamiseka lokukhulu ngendlela yekutsi besebafuna nekuyekela lomkhankaso wetekulima.

Emapulazi eSAFDA

Kuvuna kwase Melmoth

I-SAFDA inesivumelwano sekusebentisana nemiphakatsi lemine (4) yase Melmoth lekungumphakatsi waseNtembeni, sive saka-Dludla, Emakhasaneni nase mimmangweni lengase Sigodlweni sasebukhosini base Ethembeni nemacentselo amasipala lomkhulu wasesigodzini sase Mthonjaneni. I-SAFDA seyisebentisane naleTrust tinyanga letingu 19 kantsi kuleso sikhatsi beyisolomane ikukhona kulondvolota imisebenti emaplazini. Lamapulazi acasha tisebenti

letingetulu kwa 50 leticasheke ngalokuphelele bese kutsi tisebenti letingu 350 kube nguleto leticasheke ngekwesikhashana, futsi liholo labo lingulelisita kakhulu emnotfweni wakulenzawo yase Melmoth netigodzi letiyitungeletile. Ekukhulumisaneni nalomunye waletisebenti leticasheka ngekwesikhashane kulenzawo yaseMakhasaneni uye watsi nanoma asasenekulangatelela kucasheka ngalokuphelele emsebentini, kodwa uyakujabulela kona lokutsi naye uyakhona kutsi atfole lokuya ngasetfunjini. "Imisebenti iyimvela kancane kulamalanga: angisuye umuntfu lokhetsako kutemsebenti, sifiso sami lesikhulu ngiko kutsi ngikhona kuzamela umndeni wami lokuya ngasetfunjini" kusho lomunye walaba cashelwa kusebenta ngemakotapeni kwesikhashane.

Ngalesikhatsi i-SAFDA icala eMelmoth ngemnyaka wa 2020,

lenhlangano yatinikela kakhulu kutsi isunguleni luhlelo lekundlulisela emakhono kubantfu bendzawo lababuya enyuvesi futsi lokube yimpumelelo njengobe labangu 6 labaphothfulile bakhushulwa bentiwa ebaphatsi labancane ekukhiciteni makotapenini, tingodwo kanye nemoba.

"Siyatigcabha kakhulu ngalomsebenti lesesiwentile kanye nemigomo lesiphumelele kufinyelela kuyo kusukela sicale kusebenta eMelmoth. Sikhonile kufeza cishe tonkhe letitsembiso lesatenta masisayina kulesivumelwano ngesikhatsi lesifishane" kusho Dr Madlala. I-SAFDA ibuye futsi yahlala tindlela tekuceceshela kutekukhicitwa kwemoba netetimali kwentela kuhlomisa noma kungeta lwati kuletinhlango kanye nebacondzisi etikhundleni tabo ekuchititeni shukela kanye nasembonini yashukela jikelele.

Litiko letekulima, kubuyiselwa kwemhlaba kanye nekutfutukisa kwasemaphandleni (DALRRD) yemukele kwekutsi inikele ngemali Inganga R66 tigidzi kuyonke lemiphakatsi lemine lesebentisana neSAFDA. Kutawusetjentiswa yona leyo mali kutsi kutfolelwe lemiphakatsi imishini, nemathuluzi, nalokunye lokudzingekile kuyo yonke imisebenti lekhona emapulazini. Lokungenelela kutawusita kakhulu ekuciniseni ngalokuphelele timali njengobe lomsebenti ungeke usatsembela ekubolekeni emathuluzi.

Luhlelo lwekuvuna eMelmoth

Umoba

Ngekwemaloli eSAFDA, i-SAFDA ikhonile kuvuna iphindze ihambise umoba longemathani langu 76 000, kwatfolakala tigidzi letingu R33 lekuyinzuzo kulemiphakatsi lengu3.

Emakotapeni

Lusuku lebafati kubantfu labafanana na Du lisho kuncoma, kukhombisa kuhlomphe lokukhulu nekukhombisa kugubha imphumelelo yemfati eveni lonkhe, "Eveni lonkhe nase mimmangweni ngekutikhandla konkhe umfati lakakwentako emmangweni kumfanele kunakeka nganome nganguyiphi indlela lefanele. Umfati ugcina umndeneni umunye, ubambene aphindze anakekele umphakatsi wangakubo" kusho Du. Bafati labanyenti eveni lonkhe bahlala njalo bakuveta kwekutsi badzinga kunconywa nekujatjulelwa ngemalanga onkhe futsi kungesiko kuphela ngenyanga yebafati. Kunesisho sesi Zulu lesitsi "Intandane enhle umakhothwa unina" lokusho kusti umntfwana lokhuliswe ngumfati unenhlanhla lenkhulu yekuba ngulophumelele emphilweni uma acatsaniswa nemntfwana lokhuliswe yindvodza.

Du utsi loluhlobo lwebhizinisi lolwentiwa i-SAFDA lingulolusedvute nenhlitiyo yakhe. "Bokhokho bami batsatselwa umhlaba wabo ngesikhatsi sencindzeto, bogogo namkhulu kanye nebatali bami kwabita kwekutsi bayohlala epulazini lebelungu babhadale ngekusebenta bangaholi lutfo kulelo pulazi, babe wami bekanekusho kwekutsi unesifiso sekuba nemhlaba wekulima kute atewulimela kuzuzo umnotfo. Letindza ngito letavusa lenshisekelo yekufuna kutibona ngisebenta etikweni letekulima. Ngabona lalifuba lekusebenta ne SAFDA njengelifuba lekusebentela balimi bendlu lenyama nalaba labanemasimi lasemancane labakha incabhayi lebatayishiyela imindeneni yabongekutsi batimbandzakanye etukwe mnofo wetekulima" kusho Du. Biyela utsi kuyagcwalisa kubona bantfu bendlu lemnyama bakha ematfuba emsebenti, bavusa iminotfo yabo, babuye badlale lichaza etimphilweni tebatfu labamalunga emimmago yabo.

Kuba msikati esikhundleni sebhuli ngekuya ngekwa Du kusho kuhola ngesibonelo, kusebenta ngekubambisana, kukhulumisana kahle ngalokucacile, kwatisa,

kunaka ulandzelele loku lokufisako bese uba ngulophila ngekuba sibonelo kubontsanga yenu kusho Du. Labasikati bangulabanemandla ekwenta ngalokudaliwe, fusti bayabuhlonipha budlelwane. Loku kubenta babe ngulabanemandla ekuvisisa lokuhambelana netento, basibonelo sekutsi bakhutsateka njani nabasemacenjini kute baphumelele.

Umlayeto locondziswe kubantfu labasikati labasenkapanini

yekulima lobuya ku Du:

Ngekusebenta ngwutikhandla, kutinikela, kubeketela, kanye ne mcondvo lohlutile; ungakhona kwenta nokuzuza nome ngayini lewubeka umcondvo yakho kuko. Asitimiseleni ekutikhutsatani tsine ngemfundvo ne kucecesheka. Etandleni tetfu kunalelive lonkhe. Live letfu lisidzinga kakhulu nyalo kunakucala. Asibambisise lushintjo, sitivivinye tsine, siphume lasitikhanda

sinetseteke khona bese siyema kuloku lesikholelwakuko. Sinake, sibone emandla nemakhono alabanye njengemfelanzawonye hhayi njengalabancintisanako. Kuze sikhona kwenta nekwakha baholi labasikati kulomkhakha wetekulima, kufanele sabelane ngelwati mayelana nekuphakama nalokuseta lokubuchwephesha phakatsi endzaweni yetfu yemakhono bese sigcolozela ekwakheni luchumano emimmangweni yetfu.

Lesingenelelo sengucuko kulemboni siletsa injabulo kulomlimi loneminyaka lengu 84 kanye nakulabanye kulemboni

Kungenelela kwecuale kwelishintjo kwalenkapani kuletse injabulo lenkhulu kunaloku inhlango.

Beyikucalile cishe kubonkhe balimi, ikakhulu lembadalo yokucala bekufanele ifike ngesikhatsi lesilungele kulabaningi betfu balimi ngemuva kwekutsi sesigcilatekile ngemtselela walesimo sebudlova nekungaphephi. Ekupheleni kwenyanga ya Kholwane 2021 balimi bebefanelekile kuffola timali

tabo letibuya kulaba be Singenelelo sengucuko. Ngetikhatsi teminyaka yenga 2021/2022, balimi bemasimi lamancane batfola tigidzi letingu R118. Balimi be Land Reform batfola tigidzi letingu R51. Make Roseline Mkwakwa longumlimi lokaneminyaka lengu 84 budzala wakaHhoyi eMpumalanga. Make makwakwa wacala libhizinisi lakhe lekulima moba lelingu 14.14 emamogeni ngemnyaka wa 1991 phambili kwemyeni wakhe

longasekho emhlabeni lebekalima kotini kwaze kwaba ngumnyaka wa 1991 lapho atsatsa sincumo sekungenela lelibhizinisi lekulima moba. "Ngalesikhatsi ngitfola imali yami yesingenelelo, angimange ngikukholwe loku emehlo ami akubona kulombiko welicingo (SMS), bengiyilindzele lemali futsi nalenkhulu kunayo, imali lenkhulu kakhulu. Masinyane umangicedza kuyitfola, ngavele ngaphutfumela esitolo lesisedvute lapho bekutsengiswa

khona tindophi/ emaphayiphi ekulawula neku letsa manti ngentela kuvala lawalebaweba nalawa lamadzala kute kuvikeleke noma kugcineke mathani lengihlala ngiwathola. "Lemali ngabe yafika ngesikhatsi lesi ncona kunalesi" kusho make Makwakwa.

Make makwakwa watsi, indvodza yakhe tamfundzisa lelibhizinisi lemoba ngamnyaka wa 1991 futsi waba ngucwepjheshe kulelibhizinisi, nanoma make Mkwakwa ayedwa kulebhizinisi ngemuva kwelishwa lekutsi alahlekelwe ngumyeni wakhe nga 1993, usamane atigcine njalo tifundziso temyeni wakhe lamnka tona. "Umyeni wami bekahlala njalo afuna kwekutsi afuna ngihlanganyele naye kulelibhizinisi lakhe lemoba, kodwa ngangihlala ngingavumi

etikhatsini letinyenti njengoba ngangicabanga kwekutsi kumatima futsi kumsebenti lowentelwe labadvuna, kwadzimate ngalelinye lemalanga ngatsi awubotsi ngetame bese ngenta sincumo sengibuya khona ensimini kuyobona kwekutsi ngente sincumo lesikahle, futsi bukani kimi angimange ngisabuka emuva, ngidzimate ngatisola kwekutsi lenbi bengala kuso sonkhe lesikhatsi" kusho make Makwakwa.

Make makwakwa ungumlimi lotinikele kakhulu utsi ebudzaleni bakhe, lomunye angambona amcabangele kwekutsi ngabe sewuyaphumula anakekele tifo takhe lenoma ngabe ngutiphi letihambelana nekukhula, kepha hhayi make Makwakwa. Utsi ukholelwa kutsi umangabe ufuna

kubona imphumelelo kunoma ngayini loyentako unganciki kubantfu kodwa tentele wena kunenekwekutsi uyotsenga. Epulazini lakhe lelingema mogeni langu 14.5, kwanyalo unetisebenti letingu 5 letasheke ngalokuphelele lasebasebente kuye iminyaka lengetulu kwalengu 10, ubese utsi sizatfu lesenta kutsi asebente nalabantfu iminyaka lengaka ngulokutsembeka lebanako.
