Kwehlukahluka kwe Cannabis: ematfuba latfolakala tikwe sihlahla se Hemp lesatiwa nge (Cannabis Sativa I) lakhicitwa balimi base South Africa we-Hemp Cannabis Sativa I

I-SAFDA YETFULA EMATHULUSI LAMCOKA EKUSEBENTA EBALILIMI BEMAPULAZI LAMANCANE

Balimi bemapulazi lasemancane (SSG) betifundza letisifupha ta KwaZulu Natal nasinye lesise Mpumalanga basenhlahlani yekuzuza emathulusi lahlukahlukene ekusebenta latigidzi temarandi latawusita kutfutukisa nekulondvolota lizinga lekusebenta kwabo.

Bayinkhulungwane balimi bemapulazi lasemancane (SSG) labaphumelele kuhlangua kulomkhosi wekwetfulwa kwemathulusi lobewubanjelwe endzaweni yase Gingindlovu, labebasuka kuto tonkhe tifundza. Loku kungumphumela wekusebenta ngekubambisana kumelela kakhulu balimi bemapulazi lasemancane (SSG) kulomkhakha lokusemkhatsini kwe Litiko Letekulima, Kubuyiselwa kwemhlaba, Nekutfutukisa kwasemaphandleni (DALRRD) kanye ne South African Farmers Development (SAFDA). Sihlalo we SAFDA, Dkt Siyabonga Madlala, uye wagabatisa ngengoma yakhe yemdzabu kukhombisa intfo yakhe lenkhulu kulomkhosi. "Loku kungumlandvo lomkhulu kakhulu wahulumende wokunikela ekutfutukiseni balimi bemapulazi lasemancane kulomkhakha wekukhichito washukela. I-FPSU

(Farmer Production Support Units) isita balimi ngekuniketa tindlela tekukhichita, ticokelele lokukhichitiwe, ticine lokukhichitiwe phindze bentele timakethe takuleli I agro-processing. I-FPSU beyivele ingumsuka noma umgogodla wako konkhe lokutidzingo letikhulu tebalimi betfu. Ngitsandza kundlulisa kubonga kwami lokukhulu kulelitiko ngokwenta emaphupho netifiso tebalimi betfu abe ngulaphilako nalaphatsekako. Sesiphokophelele kucala kusebentela inzuzo yemathulusi lachaswa nguhulumende nemikhakha yetinsita kusukela lasikhona", kusho Dkt Madlala.

Lomkhosi bewuhanjelwe banftu labahlonipheke kakhulu labanganga: lisekela landvunankhulu Mcebisi Skwatsha, MEC Bongisithole-Moloi, lokalilunga leliphalamende, lisekela lempahlati dolobha walenzawo kanye nebhukhosi bendzawo. Lisekela lempahlati dolobha kanye na MEC bacinisekise kungenzelela kwabo kulekelela i-SSG, nekucinisekisa kutsi kutfolakale tintfo nematfuba ekukhula.

Emathulusi lafaka ekhatsi tigulumba

nemaloli labita imali lengetulu kwa R66 yetigidzi achamuka enkampaneni ye (DALRRD). I-SAFDA itawusebenta ngako kubambisana ekunakekeleni kwekusebenta, nekusekela umkhichito sewuwonkhe webalimi kuletindzawo letisifupha letiKwaZulu Natal nayinye lese Mpumalanga. Loku kutawuba yimphumelelo ngayo i- Production Support Units (FPSU) lekunguyona lilso lelimele kufinyelela kulima kwasemakhaya, leyasungulwa yamiselwa kwelekelela balimi kutsi bakhichite, bazophune tivuno, kutsengiswe, kukhichitwe timakethe letibomakhelwane nekwardzisa ematfuba ekusebenta lafaka ekhatsi kwengetwa kwemathulusi lamasha ekulekelela kwenta umsebenti.

Balimi batawuffola ematfuba lamanyenti ekusebenta latawuniketwa yi FPSU lafaka ekhatsi nalamanye labaliwe kulawa lalandzelako:

- Kulawulwa kwetinsita tekulekelela kulima, nesivuno letijabulisako noma lesihle, linani Kanye naletinye tinsita letidzingikile ngesikhatsi lesitako nalesifanelekile.
- Kulekelelwa ne kuceceshwa lokungetiwe, lokutawunikatwa ngekusebentisa emanyuvesi, nalabaphotfulile kutekulima kanye ne Narysec letawusebenta ngekubambisana ekutfufukiseni balimi kusukele eminyakeni lengetulu kwale 10 letako.
- Kwelekelelwa ngemathulusi emsebenti lafana ne (kushayela tigulumba tekulima, kutselela, kuvuna nalokunye).
- Tindzawo/ emagumbi lahlukene lanemishini yokusebeta
- Kusekelwa ngetekubala, lokufaka ekhatsi kutfulwa kwetidzingo ncanti tekulima njenge nhlanyelo, manyolo, tisebenti, umhlaba nalokunye lokunyenti, nekutfutswa kwesivuno siyonakekelwa ngekuhlanteka nekutsi kupakwe, bese kutfutselwa etimakethe letibomakhelwane.
- Kucokela kwemkhicito
- Kukalwa kwesivuno/titjalo nesitoko
- Kulungiswa/kuhlelwa kwalokuvuniwe kwentele timakethe
- Kupakwa kwaletivuno kuyiswe etimakethe letibomakhelwane
- Kugcinwa kwetivuno kwentela tikhatsi letitako
- Kusilela timakethe letibomakhelwane (small-scale mills etc)
- Tindlela letahlukene tekutsengisa nekutsengisela timakethe letibomakhelwane
- Kuniketa ngelwati lemakethe mayelana nelinani lekutsenga nekutsengisa (ICT)
- Balimi labatawufuna umsebenti nekulekela kwe FPSU batawubhalisa ne FPSU lebatatikhetsela yona
- Indzawo yokutfufukisa nekuceceshwa kwemabhisinisi lamancane
- Kubhanga
- Phetiloli (energy centre)

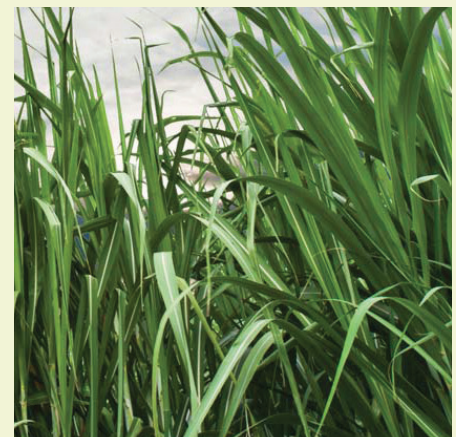

I-SAFDA IBONA BALIMI BEMAPULAZI LAMANCANE EMOBA BATFOLA LINANI LESISETULU LENTSENGO YEKUTSENGISA UMOBA WABO

Balimi bemapulazi lamancane batfola imbhadalo yemali yentsengo lengu R60 yetigidzi ekupheleni kwesikhatsi semnyaka wanga 2021/2022, nalokungekuya ngekwesivumelwano selicembu Masterplan Task yebalimi bemapulazi lamancane ngaphandle kokusebenta ngenchubo yekwenta ye Sugar Master Plan nalevunyelwe ngumtimba lowengamelwe i-South African Sugar Association (SASA).

Imali lebhadelwe yentsengo lehambisana nale kungiyi injongo ye Sugarcane-Based Value Chain Master Plan yekucinisekisa

imphumelelo nekukhunjulwa kwebalimi bemapulazi lamancane (SSG) lokutawudvonsa sikhatsi lesidze. Balimi bemapulazi lasemancane batawuhlomula kulemali yembhadalo njengoba nje itawuba ngulehambisana nalena yetimakethe takule, ibancephetelise ngelahlekelwa lokukhona etimakethe tasemaveni angaphandle, kwentele kususa lokulahleka kwematfuba lokuyamene nesikalo sekuwa kwemnotfo netindzawo letikhashane netindzawo tekusila shukela letikhandzakala setibita kahulungemkhicitowato. Timakethe tasemaveni langaphandle

tibasengotini, tilahlekelwe tiphindze tiselelwe ngushukela. Ngako ke, lesingenelelo besentelwe kuvikela imali lengenako yebalimi bemapulazi lasemancane

nekubasekela ekulimaleni
kwasemaveni angephandle.

i-Suger Master Plan iyincenye yelipulani lelikhulu lalawa latfulwa ngu Mengameli Cyril Ramaphosa kulesetfulo sakhe se SONA sangemnyaka wa 2019 safakazelwa yi ngumphatsiswa welotiko le Trade, Industry and Competition longu Ebrahim Patel ku Budget Vote yakhe Budget Vote yakhe yangalowo mnyaka. Injongo yalamapulani lamakhulu kuvuselela tinkapani letidvonsa kametima nekukhutsata kukhula kwemnotfo. Lelicebo lelikhulu lashukela laphetfwa ngekutsi tikhulu te Sugar Value Chain tisayine ngenyanga ye Lweti 2020. I-SAFDA ibonga ingacedzi kundvunankhulu Patel Na Thoko Didiza we (Agriculture, Land Reform ne Rural Development) lebabe nekutibophelela ne kulwa lokukhulu ekusebenteni kwalicebo lelikhulu leselikhicite imiphumela lemikhulu lephatsekako yebalimi bemoba.

Balimi balenkapani yashukela bakhokhelwa ngemalimbuyiselo (RV) leyibuka timali letitjaliwe letentiwe ngemsebentini lowentiwako kute kuzuzwe umoba loseizingeni lelihle. Balimi bemapulazi lamancane babukana nebumetima bokukhicita moba losesimeni lesikahle ngetizafu tesikalo semnotfo locekako, libanga lelidze lekuya etindzaweni tekusila, nekuswelakala kwemathulusi ekusebenta. Intsengo yemali mbuyiselo (RV) iffolakala ngenzuzo

leyentiwa ngekutsengiswa
kwashukela ne-molasses
etimakethe letibomakhelwane
netangaphandle.

"I-SAFDA itawuchubeka nekulwela imphilo lencono yabo bonkhe balimi, ikakhulu balimi bemapulazi lasemancane", kusho Dkt Siyabonga Madlala, losikhulu sesihlalo weSAFDA. Ubese wengeta ngekutsi "lokungenelela kwentsengo yemalimbhadalo kute ngelesikhatsi lesifanele kuniketa ngelusito loludzingeke kakhulu. Kwatsi ngemnyaka wanga 2021 kwacala kungavani kanye netimvula letibe netikhukhula, nalokubese kudala umonakalo lunxhulu kakhulu etingadzeni tebalimi. Lemali yesingenelelo itawusita kakhulu balimi kutsi bakhone kululama kutekulima ngalesikhatsi basalindze sincepheteliso sahumende ngemuva kwekubukana nalobumatima".

Roseline Makwakwa, loneminyaka lengu 84 budzala, wasendzaweni yaKaHoyi, eMpumalanga, wahluleka kutibamba ngalesikhatsi affola lombiko welucingo (SMS). "Ngalesikhatsi ngibona lemali kwekucala ekuseni, angimange ngiwatsembe emehlo ami. Ngitsandza kubonga kahulu i-SAFDA ngekulekelela kwayo lokumangalisako kitsi balimi bemapulazi lamsemancane. Lemali itawusita libanga lelidze. Asikase sikubone tsine lokunjena naphambilini. Sesibone simanga lesikhulu kusukela i-SAFDA yefika."

Kusho Makwakwa. Dentre Mkhwanazi wasendzaweni yase Felixton Empangeni, KwaZulu-Natal atsi sebalime sikhatsi lesidze kakhulu kodwa abakase batfole lusito lolufanana nalolufike neSAFDA njengoba nje ifike yaba lusito lolukhulu yabatakula njengoba besebacala kuncwila etikweledini solomane bazama tindlela tekutiphilisa. "Ngisamangele, bengingakalindzeli futsi ngitsandza kubonga kakhulu i-SAFDA ngaleyikwentile. Konkhe kuhamba kahle ngekungenelela kwayo i-SAFDA namanyolo sawuffola ngemnyaka wa 2019, loku kuyinkhomba yangalendlela lenhlangano lesikhatsalela ngayo," kusho Mkhwanazi.

Lemali yentsengo ye premium itawungetwa kulena yetingucuko taka SASA letaphasiswa ngamhla tingu 29 Lweti 2018 letinganga R1 yetigidzi ngetulu kweminyaka lesihlanu. Ngekuya ngekwalesikhwama sengucuko, R200 yetigidzi ibhadlewe balimi njalo ngemnyaka ngekuya ngekwesingenelelo sesi 8 lesi inkapani yephule kancane kute itewusita kuletinye tidzingo letifaka ekhatsi timali temifundzate yenkapani nekulekelela temfundvo letitawuba nemtselela lomkhulu ekuletseni ingucuko kulemboni yashukela. Lokungenelela sekukonkhe kutawusita labalimi labasadvonsa kamatima besikalo lesincane (SSGs) kutsi bagcineke, ikakhulu kuletikhatsi tekubate lokuvunwako.

TIMVULA LETINKHULU LETADALA UMONAKALO EMAPULAZINI EMOBA

Timvula letinemandla kanye nesimo selitulu lesibi kakhulu esifundzeni sakwaZulu-Natal, letibekhona kusukela ekucaleni kwenyanga ye Ngongoni 2021, tibe nemonakalo lobenemtselela lomubi kakhulu lobe nemtselela lomubi kubalimi betfu. Imvula ingulekahle kakhulu kubalimi kepha uma seyinemandla nobe leningi iphindze idale umonakalo kulokutjaliwe, ibange nokucwila nemonakalo wetisekelo letikhona.

Ngekwembiko noma lokulobiwe kwe SAFDA, afinyelela kulangu 2000 emamogeni emoba lakonakele ngembangela yekuncwila nalokubese kukutsikabeta netitjalo temali. Libita imali nengu R750 lisaka lamanyolo lilinye bese kutsi limogeni linye lidzinga masaka amanyolo lakangu 8, balimi betfu baphoceleleke kutsi betame timali tekutsenga tidzingo tekulima ngenca yalemvula. Ngekwale nombolo leseydzaluliwe yemamogeni, balimi badzinge cishe 16 000 yemasaka amanyolo lokwenta imali lenge +R12 000 000. Balimi badzinga kuvundzisa titjalo nemitsi yokubulala likhula lolubangelwa nguletimvula letinemandla. Loku kusho imali lephindziwe kumlimi ngamunye. Kuphindze kuchaze kutsi batsengi kubukeleke kutsi balindzele imali leyengetiwe yentsengo yalokuvunwako lokubangwe ngito letimo. Intsengo lephakeme ingabangelwa kutsi balimi bafune kuphindze batjale, batsenge manyolo lomusha njengoba kuncwille ne mutsi.

Umonakalo lobikwe ngulabanye balimi ufaka ekhatsi tindlu, migwaco, nekudzilika kwetibondza. Lomonakalo lolandzelako ubikwe

balimi betfu:

- Kuncwila kwamanyolo ne mutsi wekubulala likhula
- Kudzabuka kwemhlaba
- Kudama kwemanti
- Konakala kwetindlela letiuya epulazini
- Tinsimi temoba timbonywe yisanti
- Tibhidvo tivalwe manti
- Kulahlekelwa kwemoba (moba lohanjiswe tikhukhula)
- Tindlela tikhukhulekile
- Konakala kwetindlu temapulazi netindlu tekusebentela
- Konakala kwetindvonga temadamu

i-SAFDA inakekela njalo ngebalimi bemapulazi lamancane ngobe letitjalo letincane lebanato tikuphela kwako nje lebanako. Kumelula nje kulahlekelwa kawbo kulima nekuphuma kwabo kuloluhwebo letekulima uma nje bangakuffoli

kulekelelwa ngalokwanele.

Balimi labafanana na Matozi Simelane, lolima Endzaweni yase Makhathini eJozini, lowavele nje wabona konkhe kushabalala ngaklesikhatsi kuba nemonakalo lomkhulu emasimini akhe, wahlanyela 2 yemamogeni emakhabishi nale inhlanyelo yakhona ibe ngu 50 000 bese kwaba ngu 1 limogeni letindzekwane. Ubese ulahlekelwa ngiyo yonkhe lenhlyelo yakhe makufika tikhukhula. "Ngativa ngatsi ngiyabhudza nangibona wonkhe lomonakalo lowangentekele ngaletitjalo tami, konkhe kwakumbonywe manti, ngavele ngabona kutsi vele ngilahlekelwe ngoba kute imakethe letawutsenga nobe sitolo. Kubuhlungu kakhulu njengobe ngasebentisa imali yesingelelo ngititjela kwekutsi

ngiyayitalisa kodwa konkhe kwaba lilthe.” kusho Simelane.

I-SAFDA yahambela balimi kuhlola bukhulu bemonakalo lowentekile. Kudzimate kube ngunyalo, sachumana nelitiko letekulima, kuguculwa kwemhlaba nekuffufukisa kwasemakhaya (Land reform and Rural Development) kusti siffole lusito lwebalimi labatsikabetekile kulomonakalo. Siyalidzinga kakhulu lisito lahulumende ekulekeleleni kusti balimi babuyisele lokubalahlekele.

Sicela lusito loluphutfumako lwamanyolo nemutsi wekubulala likhula. Letidzingo leti nguletimcoka kakhulu ekulimeni ngalokutsi

tisebenta njalo matidzingekele ngetikhatsi tato kute kutolawuleka kutsin kfolakale sivuno lesihle kunalesingasi kahle. Kunesidzingo lesiphutfumako sekulungiswa nekwakhiwa kabusha kwetakhiwo ncanti talenhlango. Tisebenti tasemapulazini kanye nalabo labajuba umoba badzinga kuvuswe kuphindze kulungiseke tinsita tetindlu tekulala. Imigwaco... lephakatsi nemasimi naleyo lesekungeneni kwelipulazi idzinga kulungiswa ngalokuphutfumako njengoba nje kungumsebenti lodvonsa sikhatsi lesidze kuwenta. Kufanele ibeseyilungisekile lemigwaco uma kufika sikhatsi sekuvuna, njengobe kungaphatamisa kakhulu umasekuffutswa umoba epulazini

uyiswa etindzaweni tokusila.

Dkt Siyabonga Madlala, longusihlalo lesetulu we SAFDA, ukubeke ngalokucacile watsi lelive belisabukene nalomshikashika wangalenyanga Kholwane, manje nalemvula lebenemokakalo seyibangele kutsi batsengi babukane nemali nyentsengo yekwekudla lesetulu. “Imvula yona inemtselela lomuhla futsi nalomubi. Siyayidzinga, kodwa uma iyinkhulu idala monakalo emasimini nasetakhiweni kanye nakulokutjaliwe. Loku vele kusho kutsi kutawunyuka kahulu intsengo yalokuvunwako,” Dkt Madlala aphetsa.

I-SAFDA ITFOLE

LEKUCHASWA

NGETIMALI TAMANYOLO

I-Department ye Economic Development, Tourism ne Environmental Affairs (EDTEA), kanye SAFDA bakhone kuphetsa ngesivumelwano sekusebentisana ngekubambisana lokuhloswe kulekelela balimi bemapulazi lamancane ngemsebenti wamanyolo walokujutjelwe kusti kuhlume kabusha eminyakeni

lemitsatfu. Lesinyatselo sitawusita labo labamelele licembu le SSGs lekungisona lesitawube sikhicita umoba eminyakeni lemitsatfu esifundzeni saKwaZulu-Natal, injongo yako kubonakalisa inzuzo yesikhatsi nekundlela lekunguyona lekahle yokufaka lokunemsoco emasimu lavu, ngalo kutawukhutsateka labanye balimi

lababomakhelwane kutsi babonge lenzuzo yokwandza kwesivuno kanye nelinani lemphumela. I-EDTEA inikela ngemali lingu is R12 yetigidzi kulelihlelo leminyaka lemitsatfu yalesigaba 1 se South Coast, kulandzela sigaba se 2 ku North Coast nesigaba 3 Far North (Jozini/Makhathini). Sigaba sisinye sabelwe imali lengu R4 tigidzi.

INHLONIPHO KULABANGASEKHO BO MOSES THUMBATHI NA JOSEPH MBUYAZI

JOSEPH MBUYAZI

"Siwile sihlala lesikhulu" Ngulokungifikela njalo uma ngimcabanga Babe Mbuyazi, bekangubabe kulabanyenti nemholi lomkhulu, kulandzisa yena Nomkhosi Dlodlo lobekasebentisana na Mbuyazi. Bekanesimo sakhe semvelo lesilungile lesatsintsa timphilo talabanyenti, waba lusito kubantfu labanyenti. Kusebenta ngebantfu bakusendalweni yakhe Mbuyazi, uphene ngesikhatsi sakhe, imali yakhe kanye neteluleko.

Mbuyazi bekangumlimi wekuguculwa kemhlaba nasihlalo walesifundza, futsi bekane lutsandvo lebalimi bonkhe be SSGs nalaba be land reform. Ubewekucala webalimi bengucuko yemhlaba kutsi alekelele ekusungulweni kwe SAFDA. Bekayitsembe i-SAFDA kakhulu njengenhlango lelekelela ngekuftufukisa balimi bonkhe ngekwenta impilo yabo ibe melula, ente

bakhone kubona imiphumela lemhle ekusebenteni kwabo ngetekulima. Bekaphokophelele kakhulu ekwakheni kisimama ku SSG nebalimi bemhlaba lobuyiselwe base Umfolozi. Bekenta siciniseko sekwekutsi ufaka tonkhe tiphatsimandla ngaphansi kwebuholi bakhe khona balimi batewuhlomula.

Mbuyazi bekayinsika yalomphakatsi, bekenta siciniseko sekutsi uyayidlala indzima kulommango nganoma yinilabenayo, labengiyo, nanobe yini ledzingekile uma kunesidzingo. Utawuhla akhunjulwa njalo njengemholi lobesibonelo, longazange akhulume nje kuphela ngelutsandvo kepha wengca waliphila, konkhe lokuhle labekukhuluma bekuyimphilo yakhe, bekabahlonipha nebantfu ngekuhluka hlukana kwabo, bekaphana angadzinwa futsi ngendlela leyasabekako.

I-CPA YASE MPUMALANGA ITFOLA TIGIDZI TELUTJALO TIMALI YEKUVUSELELA INGCEBO YAYO

i-Matsamo CPA ifole samba semali lengu R 32 989 425, lekuyimali legunyatwe be Department ye Agriculture, land Reform and Rural Development (DALRRD), yentelwe kusungulwa kwe masimu lakangu 200 yemamogeni emoba, 65 mamogeni emabanana, kuvuselelwa kwemaphayiphi ekutselela ku 23 yemamogeni, kunakekelwa k w e m a p h a y i p h i emanti, nekutsengwa kwemathulusi lamasha naletinye tidzingo tekusebenta. I-Matsamo CPA 10 000 banikati bemhlaba (1 600 yemakhaya). Lesamba semali lechasiwe itawusita balimi ngekutsi bakhone kufeza emaphupho abo nekutsi batsenge imishini lebalulekile nemathulusi, uma basagcina letinye timali letigeletako

letitsembisako.

CPA inemapulazi lasihlanu lebhaphatsi bawo bantfu bakhona kulommango wase Matsamo, atsengwa nguhulumende njenge lihlelo lekundlulisa nekubuyisela emmangweni kwangemnyaka wa 2011. Lamapulazi onkhe akhona kucasha 600 yebasebenti na 150-300 basebenti lebacasheka sikhatsi lesifisha. I-South African Farmers Development Association (SAFDA) kutawuba ngiyo lecinisekisa kusebenta kwale lipulazini. I-SAFDA innemsebenti wekuphatsa/ kulima emapulazi ehlangotsini lemabhizinisi leku ngiyo letawube yenta lomsebenti.

Ummeli Bernard Shabangu, longunobhala we Matsamo CPA, utsi bayi CPA bakujabulela kakhulu lomchaso timali lebanunikwe

nguhulumende fusti kuyinkhululeko nje, ngemuva kwekuhamba kwabo lokungaka kute batfole lomchaso timali. "Lesamba semali sitawusisita kakhulu kutsi tsine banikati labasha bemhlaba sikhone kutfutukisa siphindze sikhicite. Loku kuyintfo lejabulisako kakhulu, sacala loluhambo nga 2010 ngemuva kokutsi kupheleliswe lokubuyiselwa kwemhlaba sase sicalwa kufaka ticelo tekuchaswa ngemali kute sitewutfutukisa lamapulazi, kusitsetse iminyaka lengu 12kutsi siffole lomchaso timali, sijabulile kakhulu ngako" kusho Shabangu. Utsi Shabangu lokulekelelwa lebakutfole nge SAFDA ngete balinganiswa, ngobe lenhlangano ibasite nje basacala kuhlanyanyela kanye nabo, ubese wenaba ngekutsi nyalo bavuna

titselfo tekuba ngaphasi kwe SADFA.

Emamogeni lalinganiselwa kulangu 8000 ngelinani abeyi yimphulelo kuwandlulisela kusukela emnyakeni wa 2009, nyalo asetandleni te CPA. Umhlaba lomnengi we Matsamo CPA won ke undluliselwe ngaphansi sekubolekana/ kucashisana lokusu sivumelwano lesikhona phakatsi kwebanikati bamhlaba baphambilini nahulumende. Leliplani lahulumende lekubhadalela emuva nekuphuta kwalo kuholele kutsi kwakhiwe kusebentisana njengoba nje i-CPA beyiphocceleleke kutsi ibuke labanesimo lesikahle semnotfo lebanghanganyela nabo kute bente siciniseko sekwekutsi kulima

kuyachubeka emapulazini. Inhloso lenkhulu kulokutfufukisa kabusha, kusukela kulendlela le ummango ubuka ngayo kwekutsi kukhuliswe inzuzo, kwakhekelwe ummango ematfuba emsebeni nekugcina kulima ngekenta tindlela letihle tekulima. Kusebenta njenge modeli yekuphumelela nekuphindza unikele kuyindlela yemphumelelo yekutfufukisa kabusha lengakanakeki.

Lamapulazi kwanyalo akhicita mabhanana, umoba, emali, mangoza, netibhidvo letehlukene. I-Matsamo CPA itimisele kusebentisa ngalokugcwele tindzawo kulima konkhe lolokungenhla lokubaliwe nekutsi ingete kancane umhlaba

wayo kwentele kucinisekisa inzuzo ebudzeni bendlela. I-Matsamo iplana kusebentela tindzawo tayo ngendlela yelibhizinisi yekusebenta epulazini letawucinisekisa kusebenta kamalula epulazini. Lokuvuswa kabusha kwalelipulazi kutaletsa ematfuba emsebeni kubantfu bakulomphakatsi. I-Matsamo CPA ifuna kugcugcutela umnotfo wetekulima lophetswe bantfu labamnyama, ematfuba ekusungula emabhizinisi, kuniketela ngetemakhona, kuvikela imvelo nekusebenta ngemandla nangekutimise khulisa ngemnotfo kuletidzawo tasemakhaya letisitungeletile.

UMLIMI WEMOBA LOSEMUSHA UKHULA NASEKUKHULISENI IMFUYO

Nozipho Mngomezulu, longusesi lomusha, wafola kukhutsateka kugogo wakhe losewandlula ehlabeni, lobekasebenta ngetingulube, tinkukhu, timbuti, ne tinkomo. Ngemuva kwekundlula emhlabeni Kwa gogo wakhe ngemnyaka wa 2006, kwabita kwekutsi asukume angenele kulelibhizinisi lemndeni, lokunguyona ndlela yalomndeni

yekungenisa imali. Tingulube bekungito lebekatitsandzela tona kusebenta ngato, lekuyinkomba yekwekutsi wenta kahle kakhulu kulelihlangothi. Ngemnyaka wa 2013, Nozipho wangena umhlangothi wekufundzisana ngemsebenzi nalokube lusito kakhulu ebhizinisini yakhe. Kwamsita wakhona kutsi abhalise libhizinisi lakhe kute litokhona kusebenta. "Ngatalelwa emndenini lotiphisa ngemfuyo kute kubenemali endlini, kwabita kutsi ngifundze eminyakeni yami lemincane kutsi tintfo tentiwa njani kulelibhizinisi njengoba bengati kahle kutsi ngalelinye lemalanga kuwufuneka ngilichube lelibhizinisi lagogo. Ngakhona kutsi ngilibhalise libhizinisi lami ngalibita ngekutsi Inkabanhle PTY LTD ngemnyaka wa 2013 ngasengikhicita inyama yengulube emabhizinisini ekosa inyama nasemabhusha," kusho Nozipho.

Wabese ugcina yonke imigomo yetemabhizinisi ngemuva kwekulibhalisa libhizinisi lakhe. Nozipho utsi emabhizinisi lakafana nabo NYDA, SEDA nalamanye ngiwo lakambeka emafubeni ekuchaswa. Imphumelelo yakhe yeta ngekutsi angenele umhlomelo wahulumende nalapho wacokwa njengalomnikati lomncane lowenta kahle kutekulima, kepha wangaphumeleli, nako loko kwaba ngulenze indlela yekutsi ative atfole nemafuba ekutsi bamati kutsi udinga ekuchaswa akhulise libhizinisi. "Ngangenelela umhlomelo welitiko kulomnyaka lophelile, ngelisha ngangaphumeleli, loko kwangibeka enhlanhleni, ngatfole nemafuba email lengu R4.6 yetigidzi lebuya ku Litiko Letekulima. Lomnhlomelo wadzinga kutsi tiphatsimandla talo lelitiko tivakashele tindzawo lesisebenta kuto, kube ngulapho lababona khona", kusho Nozipho. Nozipho waba nesivumelwano sekusebenta ne Darnall Abattoir kodwa ngekuhamba kwesikhatsi

maphupho akhe aya akhula, wabese ucala kutibukela labachasa ngetimali kute bamtochasa kusakhe silaha. Timfuyo letinyenti tibukene negugula kwe mlomo netinyawo nalokungiko lokwabavimbela kutsi bangasahambisi timfuyo tabo kepha waba nemcondvo wekuba nesakhe silaha Nozipho. "Sibalimi bemfuyo sibukene netinkinga ngalesikhatsi sekbhedvuka kwalesifo setinyawo nemlomo kulemfuyo, asisakhoni kuyitfutsa lemfuyo yetfu futsi kube nemtselela etimalini nasekusebenteni kwefu, ngekubona kokutsi lenkinga ingule phindzaphindzako ngibese ngicala kutibukela bachasitimali labatangisita ngekwakha sakami silaha."

Eminyakeni lesihlanu letako, Nozipho utibona anendzawo yakhe yokujuba inyama letwuba khona tindzawo tonkhe takwaZulu Natal, naleyitawukhula ibekhona nakuletinye tifundza njengoba angakabukani nekufuya akhulise kuphela tingulube kepha unane tinkukhu, timbuti, netinkhomo. "Ngifuna kukhulisa lokunyenti, sengiphokophelele ekwenteni ibhusha eJozini, ngifuna kuhlanyela yonke I KZN bese ngiba ngulokhicitela tonkhe titolo letitsengisa inyama yengulube" kusho Nozipho.

Umnikati we Inkabanhle farming ukhutsata lusha lwakulelive kutsi libotisungulela alo emabhizinisi, lingalindzeli nje umsebenzi kutsi uye kubo. Lelive libukene nenombolo lenkulu yebantfu labasha labangasebenti. "Ngifuna nje kukhutsata bantfu labasha bakulelive kutsi bacale emabhizinisi abo bangalindzi kutsi kufanele kutsi bacasheke, sibonelo, ngine Diploma ye Occupational health netekuphepha lengikakaze futdi sengicasheke kuko, kepha loko akukangivimbeli kutsi ngente lengikutsandzako lokukulima, kwatise futsi kutsi nguchuba kahle kakhulu." Kusho Nozipho.

BUDLELWANE EMKHATSINI KWE SAFDA NE GREEN CLOUD TECHNOLOGIES BOKUCHUBA, KUHLOLA NEKUSEBENTA KULELIHLELO LOKUHLANYELA NGEKUTIKHANDLA ETIKHATSINI LETINYENTI

SAFDA Farm Management Services (Pty) Ltd, njengenhlangano yemcebo, yacokwa tinyanga letingu 36 i-Department ye Agriculture ne Rural Development kulomnyakatimali lolandzelako wa: 2020/21, 2021/22 and 2022/23 kutsi ichube lokusebenta nekuhlolwa kwaletinhlelo tesikhatsi letinyenti sekuhlanyela kusosonkhe sifundza sakwaZulu-Natal.

I-SAFDA itibophelele kunika lelitiko imininingwane leyetsembekile nalemcoka njengobe lokusebentisana kwabo kanye ne Green Cloud Technologies kwacala ngenyange yeNyoni 2020 kube kuoba kweminyaka lemitsafu. I-SAFDA itfufukise tihlelo tayo nebahlobo bayo balomsebenzi i-Green Cloud Technologies tekuphatsa imininingwane. Lelihlelo lusebentisa ithulusi leyentiwe ngesifiso sekuhlanganisalwati, lapho khona licembu leSAFDA licokelela khona umbiko nemininingwane

yayo lekubongcondvumshini ngekuvumelana bese iwufaka ehlelweni lelisekelwe iwebhu lephothifiliyo yebufakazi.

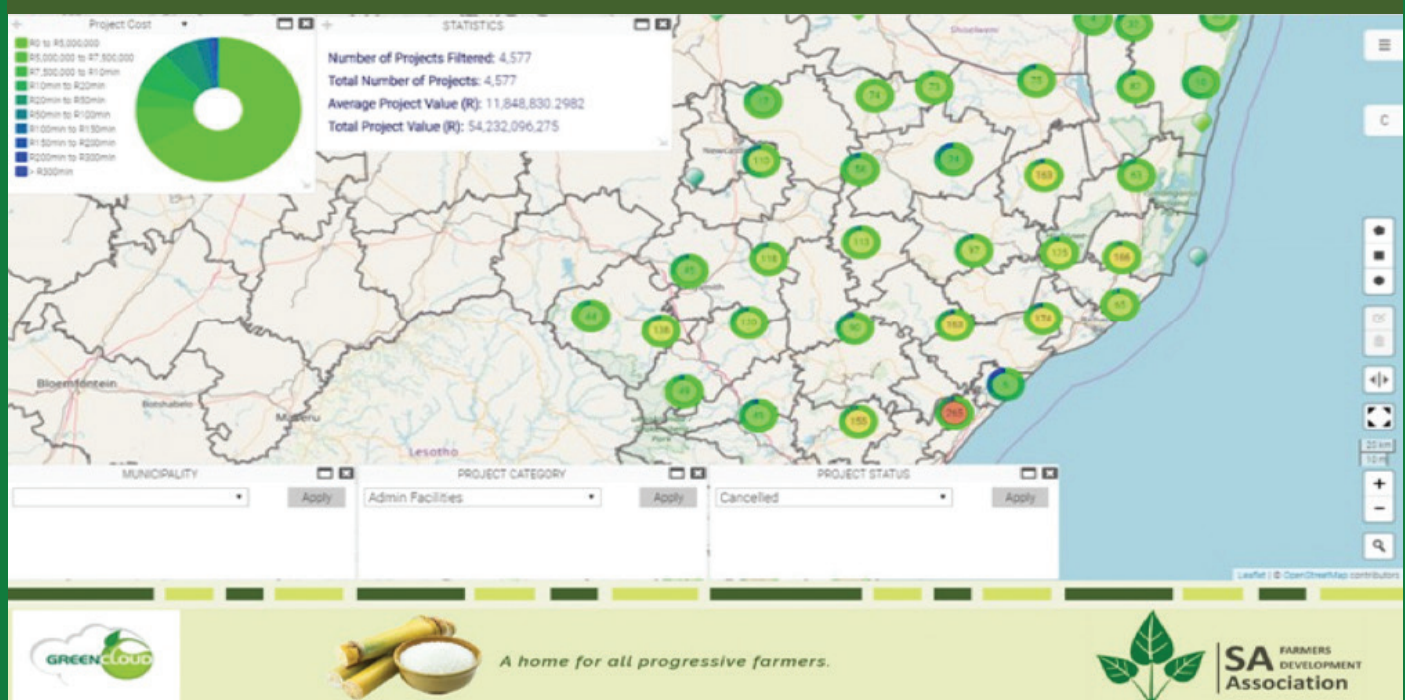

Lokuhle ngalokusebentisana kwato letinhlangano kutsi umangabe i-SAFDA idzinge lohlolo lolungaphandle lwekuffola lwetindzaba noma tinkinga leti beyingeke ikhone kutibona ngekusheshisa, i-Green Cloud ingakhona kuyentela koko i-SAFDA. Kungeta, i-Green Cloud ingakhona kuniketa i-SAFDA tisombululo letidzingekile, kunana nekugcinwa kwemininingwane kwentela kuyifola kamalula ngesikhatsi lesifanelekile. Lobucwepheshe lobuhlakaninphile lobuniketwa yi Green Cloud butatisita kakhulu tusebenti taka SAFDA ekwenteni umsebenzi wabo ngempumelelo. Ngelokufanako, bachumanisi besifundza, nebaphatsi batawukhona nabo umsebenzi wabo utawuba nguloyimhpumelelo lemangalisako

kulenhlangano.

Ngentansi kunesibonwa lesibonakalisa kutsi utawufetjulwa njani umniningwane kule Web-based system.

SYSTEM OVERVIEW

Lelihlelo litfole bacwaningi mabhuku labaceceshekile labanyentana emahhovisi e Auditor General Ngenca yekungagucugcucuki kwakuphatsa nekubika, ngako ke i-SAFDA yabekwa litiko kutsi yenta kancono umsebenti wekuphatsa nekuhlola kulelihlelo. Lelitiko livakalise kakhulu kubonga kwalo ngekungenelela kwe SAFDA kulelihlelo.

Lizinga lalomsebenti/ projekthi kubuketa timphepha talelihlelo

letikhatsi tekuhlanyela, lokufaka ekhatsi tiffombe teminingwane lebutsiwe, iphothifoliyo yetincwadzi tebufakazi lobulinganisa kusebenta. Kunaka kucinisa i-M&E System, sakhiwo lesingetiwe semahhovisi langetiwe, nekuniketa iminingwane letsembekile nelizinga le M&E System. Lolokulokulandzelako ngulokunye lokumbalwa lokwefuliwe kusinye saletivumelwano temsebenti:

- Kucinisa kwelihlelo

lekubona /kugadza nekuhlola, kusebebta nekutfulwa kwemathulusi lakatawucinisekisa kufula lwati lolucinisekile.

- K u t f u l w a kwetinchubomgomo nendlela yeticondziso letitawenta ingucuko yekutfulwa kwe Multi-Season Planting Programme (MSP). Loku kufaka ekhatsi indle la lekutawu setjentiswa ngayo letinchubomgomo, tindzawo letidzinge kusebentjetwa kahle, lihlelo lekubona neku hlola nemathulusi ladingekako.

LUSHA LASEMAKHAYA LELIPHOTFULILE LELINETICU KUTEKULIMA

I-SAFDA ibambe kutfweswa keticu eNARYSEC yelikilasi langa 2019 enyangeni yeNgongoni 2021 ngemuva kokutsi baphotfule kahle tinyanga tabo letingu 24 tesitifiketi savelonkhe sekukhicitwa kwetitjalo, lobekutfulwa yi Shukela Training Centre naleyimbisene ne AFDA kubhadala ne Litiko Letekulima, Kuguculwa kwemhlaba ne Rural Development. Lelitiko lacasha pantfu labangu 50 ngemnyaka wa 2019, kulandzela i-SLA leyasayinwa litiko ne SAFDA nga 2015. I-National Rural Youth Service Corps (Narysec) llihlelo lekucesha nekutfutukisa batfu labasha, leligucula lush lasemakhaya ekufuneni umsebenti libe ngulabakha ematfuba emsebenti, kuncamula loludvendwe lemjikeleto wekutsembela tukekusitwa kuhulumende.

Lomcimbi wekutfweswa kweticu wahanjelwa tikhulu baphatsi netsebenti te SAFDA, bewuholwa ngu Dkt Siyabong Madlala, welitiko uholwa ngu Nhlanhla Mndaweni, Umcondzisi lomkhulu: KZN PSSC (Provincia Shared Services Center) nebaphatsi be Shukela Training Centre (STC) iholwa ngu Thami Mathe, STC General Manager. Inkhulumo yekuvula yatfulwa lisekela sihlalo we SASA, Joanmariae Fubbs, lohalalisele lusha leliphotfulile kuletinhlalo te Narysec leliye labonisa bumcoka bekutitfutukisa emkhatsini webantfu labasha. "Kungumsebenti wahulumende kutjalo kubantfu labasha, njengoba nje babaholi betfu bakusasa esiveni", kusho Fubbs.

Incenye yalabafundzi lebonise kutimisela nekutikhandla

yaphotfula nakulokufundza kwayo, itsatfwe banikati bemapulazi, loko kubonakalisa imiphumela lemihle yalelihlelo. Labamnye kubo labafundzi batakhele lubambiswano kute bakhone kuba nemapulazi emoba lokubuye kwaba yincenye yalelihlelo. Ngekwesetfulo i-STC, bafundzi baye batsikabetaka kabi ngeleskhatsi sabo sekucesheswa ngenca valenkhotsamave ye Covid-19, leyente kutsi tindzawo tekuchuba lelihlelo timiswe kusebenta cishe sikhatsi lesitinyanga letintsatfu nesigamu (3.5), kepha nanomakunjalo bafundzi bakhombise kutimisela lokukhulu umasebabuyela kuletindzawo. Ngekwembiko, bafundzi benta kahle lakhulu futsi banelutsandvo lako kulima umoba.

MPUMALANGA SIYANQOBA UMCIMBI LOWUBE YIMPHUMELELO

SA FARMERS

Buholi be SAFDA eMpumalanga buhlele iSiyanqoba Imbizo njengencenye yayo yekuvuselela umdlandla kubalimi basedvute. Nga 2020, lesifundza sibukene nebumatima lobulinganako, ngako ke kudzingeke kutsi Imbizo yente sitatimende mayelana nekuncoba kwabo kuyo yonkhe lemphi yalabo beba funa kuklebhula kusebenta kwabo lokuhle. Bebangu 500 bantfu labhambela lomcimbi ngenca Covid-19 levimbele kutsi kungaphunywa ngendlela lekuvamise kuphunywa ngayo.

Dkt Siyabonga Madlala, longu sihlalo we SAFDA, ukhulume nebalimi be Imbizo, waveta kubonga kwakhe kubalimi base Mpumalanga lebabonakale babambene kuko konkhe

lesekwentekile, kepha bakhetsa kunaka kutsi kwenteke umsebenzi wabo. "Kuyintfo lenhle nalecolisako kubona balimi bendlu lemnyama bahlanganyela ekufezeni inongo yinye, lokhombakalisa kutsi sikhona kanganani kwakha tihlangano tetfu sabuye sandlula kutotokhe tinkhulamo tekugcekwa kwetihlangano tebantfu labamnyama," kusho Dkt Madlala uwuncomile umsebenzi webaholi labakhona nyalo nebasebenzi base Mpumalanga labenta siciniseko sekwekutsi benta umsebenzi loncomekako kubalimi.

Sihlalo webalimi bemapulazi lasemancane eMpumalanga, Enerst Mashabane, ubadvumise kakhulu labalimi bakulesiufundva ngoma nalenhlangano kubonkhe

bumetima natilingo, wakubita ngekuncoba lokukhulu. "Nisebente kahle kakhuli balimi lesikanye nabo. Nibonakalise kutinikela, kutsembeka nekuncoba ku SAFDA. Lenhlangano lena ilikhaya letfu, futsi asikatimiseli ngekuyishiya, singasala sisodvwa singenamuntfu longasisita. Asichubekeni nesebentisana sentele kuvuna i-SAFDA", kusho Mashabane.

E-Mpumalanga, bengetulu kwalabangu 1 200 balimi nemamogeni langu 9 000 emhlaba lowasetjentiswa balimi baphambilini eminyakeni, nalapho emamogeni langu 55 000 lebekangaka cinisekiswa kutsi ebalimi bemhlaba lobuyelwe.

SAFDA SEYIHLUMELELE TIMPHIKO KULASE EASTERN CAPE

I-South African Farmers Development Association (SAFDA) isayine incwadzi yesivulwano neNcora CPA, lekummango lokhona e-Eastern Cape. I-SAFDA itawube isebenta umhlaba longu yemamogeni kulenzawo. I-NCORA CPA ne SAFDA bente siphakamiso sekusebentisa imodeli yekutsengiselana (Transitional Management Model) letawuvumela kutsi i-NCORA CPA ikhune kutsi usuke kulemodeli yekusebenta ngeticondizo tebudlelwane (Strategic Partnership Model) lekukusebentisana bese isebenta ngemodeli yekulekelelana (kululekana) futsi ekugcineni laba labafake ticelo batawuzuza kwekutsi umuntfu amunye aphantse yedwa lomsebenti wekulima lokubitwa ngekutsi i-Self-Management Model. Lephakamiso se SAFDA se Transitional Model, sisho kwekutsi i-SAFDA itawelegelele i-NCORA CPA idzimate ifinyelele ekutimeleni ngeteluleko tekubalipulazi lelikhicitako ngekhatshi kwelhlaka lekuvunyelwene ngalo.

I-SAFDA ihlanganyele ne Ncora CPA, nahulumende kanye naletinye tiphatsimandla batibophelele kuhlanyanyela ekuphakamiseni emafuba ekukhulisa tekulima nekukhicitwa kwetijalo eNcora. Lokutibophelela kuholele kutsi kubekhona kusayina kwe Memorandumu yesivumelwano (MOA) phakatsi kwe SAFDA ne Ncora CPA. I-SAFDA ine makhono ekukhicitwa nekusebenta, kuvuselela nekwandzisa i-Ncora Irrigation Scheme, kufutukisa tekulima kanye nekukhicitwa. Kusebentisana nekuhambisa natotokhe tiphatsimandla kutawuvulela i-Ncora onkhe emafuba. Nge Service Level Agreement kanye ne DALRRD kanye SAFDA, kanye nemphumelelo yalomsebenti lotsetfwe ngekubambisana etifundzeni tonkhe takwaZulu-Natal nase Mpumalanga, kunemsebenti lobonakalako.

Ummango wase Ncora ngaphansi kwebuholi beNkosi Zwelivumile, Inkosi Zwelengqaba kanye neNkosi Langalivelile balindzele kubuyiselwa

kwemhlaba wawo ngesekupheleni kwawo lomnyaka. Umphakatsi sewuvele ubambisene ne SAFDA kusebenta lomhlaba. Letitjalo letilandzelako kanye ne CPA sekuvele kuhlontotwe njenge catalyst lelinganisiwe kusimamisa yesikhatsi-letifishane, -lephakatsi, -lesidze.

- Umbila lomtfubi, 500 emamogeni laniselwako kuniketa tidzingo te Amadlelo Agri nekukhulisa imakethe
- Umbila lomhlophe, 250 emamogeni embila loniselwako lekwakhiwa ngawo imphuphu nekusebentisa umtsamo wekugaya lokhona.
- Tibhidvo 45 emamogeni wekulima emakhaya netimakethe tesigodzi.
- Tihlahla letifanana netemantongomane—emacadamiya, emawalnuts, nalokusawolintji, 25 emamogeni lakasimamisa sikhatsi lesidze.

Umbila lomhlophe ubonakala ungulonemsebenti lomkhulu lobalulekile lonematfuba emsebenti endzaweni yase Ncora. Emamogeni embila lomhlophe langu 250 atawuhlanyelwa laknekuniseleka khona kahle, kute kutewusungulwa indzawo leyitawuba yinhloko yokwenta iphindze ikhicite umbila lomhlophe. Hulumende uvele sewutjalile, wafaka tigayo/tindzawo tekusila umbila lomhlophe (4/hr) eNcora. Lena indzawo leshe, lenetisele tembila nema genaretha. Lelitfuba likhonela kuhlela kusebenta kusondzeta ebantfwini indzawo yesigayo. Lombila lomhlophe utawugaywa kwentiwe imphuphu lehlukile nalehamba phambili nekugawulela kudla kwetifuyo kuyitfutswe kuyiswe lakufuywa khona.

Kucala kukhicita umbila edvute kutawehlisa intsengo yembila etindzaweni tekugaya nemphuphu lemhlophe emphakatsini nasetitolo, nalapho kuholelwa khona imali yesibonelelo, nelitiko letemfundvo njengoba liphekela bafundzi etikoleni. Umbila lomhlophe utawugaywa ngemasaka ema 25kg -50kg bese utsengiswakyona lendzawo kwentelwe kutsi bantfu bakulendzawo bayitfole kamalula

bese kubehlisela tindleko tetigitjelwa, lokutawuphindza futsi kwakhele bantfu bakulendzawo ematfuba emsebenti laketa ngawolomkhcito wetilimo nasetindzaweni tekugaya. Tinjongo letiyinhloko te Commission on the Restitution of Land Rights (CRLR) kweleklala loluhlelo lekulondvolota kubuyisela kwemhlaba ngekucatulula nekuphotfulwa kweticelo temhlaba. Njengoba nje luhlelo lekulungisa lutfole umfutfo eminyakeni, kusanetinkinga letimbalwa letibukene i-CRLC kulomfutfo wayo wekulungisa imvume yemhlaba ngendlela lesimamile. Kudzingeka kukhutsateka kucinisekisa kutsi ticelo atizuzi kuphela kulokubuyiselwa kwemhlaba, kodwa kutsi leticelo temhlaba tiphumelele kutfufukisa timphilo talabafake sicelo

nekucinisekisa kulondvoloteka kwalenkapani yetekulima.

I-SAFDA itawuhlola emakhono nebuchwepheshe kutekulima, kusebenta kwemabhizinisi, nekufakwa kwetinhlelo tekucesha endzaweni, netfutukiswa kwemakhono nekutfweswa ticu kwalabaphothulile. Injongo yekwenta lokucesha, emakhono nekutfufukisa bucwephesha kutsi kuniketwe i-CPA nemphakatsi lofaketicele emandla ngekufinyelela kutebucwephesha nelwati lwkusebenta, sandziso lesifanele nemakhono etekuchumana netesayensi emsebentini wetekulima ngemphumelelo njengencenye yelicembu yekukhicita kanye nekululeka.

KUTFULWA MTHONJANENI FARMERS ASSOCIATION

I-Mthonjaneni Farmers' Association yasungulwa ngenyanga ye Indlovulenkulu 2020 kulandzela impumelelo yekusebentisana ne-SAFDA, lesasinywa ngekuphutfuma ngaphambili kokwakheka lokuhlangana. Ngenyanga yeNdlovana kulomnyaka, lenhlangano yatfule kwekucala inhlango yabo nemahhovi. Lokwetfulelo bekumanjela baholi be-SAFDA, emalunga e-CEC kanye nemalunga emphakatsi lobewuholwa iNkosi yesive saseNtembeni. Lenhlangano ihlose kuhlango yabo balimi bakulenzawo yase Mthonjaneni bese kuba yindlela yekubanjela ngelwazi njengobe lining lebalimo bakulenzawo basesebasha kulomkhakha wetekulima.

Mntwana Mandla Zulu wenta setfulo, wabese wemukela tihambeli, waveta kafishane kubaluleka kwalenhlangano wakufananisa nemkhicito wemtamo wemandla ekudala (brainchild) we SAFDA. Kuzuzwa kabusha kwemhlaba kufanana nekubuyiselwa kwesitfuntse semuntfu lomnyama. Bantfu labasebentaphambilini kulomhlaba babancisha inhlonipho bokhokho betfu. "Phambilini, sabona bantfu

basebentisa matsandza umhlaba wetfu kodwa sangenti lufu kwadzimate kwaphumelela ticelo tetfu tekubuyiselwa kwawo kitsi, satimela kuloku lesifuna kukwenta ngemhlaba wetfu", kusho Zulu kulenkhumo yakhe.

Sihlalo Dkt Siyabonga Madlala, lotfule inkhumo yekuvula, ukugcizelele ktembeka wanaba kabanti ngekubaluleka kokulwela lokungekwakho. Dkt Madlala akamange akufihle nobe akubalekele kukhuluma liciniso, futsi kuloku akaaznge atibembe. "Bantfu baseMthonjeni bangkukhohlwa kutsi sifike njani lasikhona. Ngiyabona kutsi labanye batiphatsa ngendlela leyehlukile futsi sebalahlekelwe kutsembeka kulenhlangano. Kutsembeka nekangafihli kubaluleke kakhulu umanisebenta nonkhe eveni, kwakha sive bese kwenta nesiciniseko sekutsi niphumelele kuleniphokophelele kukuzuzwa. "Ngifuna kuncusa bantfu baseMthonjaneni kutsi bangacali balahle litsemba noma bakhohlwe kutsi ngubani lome nabo ngalsikhatsi simo singalawuleki, kusho Dkt Madlala.

I-SAFDA yente sivumelwano sekusebentisana nemiphakatsi lemine eMelmoth lebitwa nge Entembeni, sive Saka-Dludla, Emakhasaneni, nemiphakatsi yendlu yebukhosi base Entembeni letungelete masipalati lomkhulu wasendzaweni yaseMthonjeni. I-SAFDA isebente ngekutsembeka futsi ikukhona kunakekela umsebenti wemapulazi. Eminyakeni lemibili leyengcile. Bangetulu kwalabangu 50 labacasheke ngalokuphele nalabangu 30 bacasheke kulamapulazi ngekwesikhashana, inzuzo yabo yente umnikelo lobalulekile kulomnotfo wase Melmoth.

KWEHLUKAHLUKA KWE CANNABIS: EMATFUBA LATFOLAKALA TIKWE SIHLAHLA SE HEMP LESATIWA NGE (CANNABIS SATIVA L) LAKHICITWA BALIMI BASE SOUTH AFRICA

I-South African Farmers Development Association (SAFDA) ikhutsalela kubukela balimi bayo ematfuba lahlukene ngetinhlobonhlobo emabhizinisini etekulima kute balekelele kusimama kwabo kwesikhatsi lesidze. Lesetfulo lesentiwe nguhulumende Cyril Ramaphosa ngesikhatsi eatfuba i-SONA ikhanyisele SAFDA kutsi iphishanekele/ ifinyelele lelifuba. Sisekelo sekutfufukisa ematfuba nemsebenti le SAFDA awaphishanekela balimi betfu kutsi kwehle tintsengo talokufakwako bese kukhula imitfombo yemali lengenako. Ngoba kunaba kwehlukahlukana ketekulima kusho ngalokucacile kwandza kwemitfombo yemali lengenako kubalimi betfu bendlu lemnyama kute bahlanganyele kulokuphatselele netekulima nekungeta linani.

I-Department ye Agriculture, Land Reform ne Rural Develop ibonile futsi yancoma kakhulu ematfuba lakhona eHemp, Cannabis sativa L kulomsebenti wayo wokutfufukisa Agriculture ne Agro-processing Masterplan (AAMP) iphindze

yayifaka njengensimi yetivuno tetinkapani. Loku kuyayikhutsata kakhulu i-SAFDA, sinelitsemba ngalokuphelele kwe AAMP, kulandzelekulawula, umkhicito nekulekelela lokuhlomulisa titjalo letisesigabeni semkhicito losewuvele ukhicitwe kuletinye tindzawo. Ematfuba lehlukahlukene etinkapani letiphatselene nekulima nekukhulisa umnotfo wasetindzaweni letisedvute tasemakhaya eSouth Africa.

Siyati kutsi i-Hemp, Cannabis sativa L, isivuno setinkapani futsi incenye yetitjalo letindzala letihlanyeliwe eveni. Hemp ihlanyelwe emaveni lamanyenti, lokufaka ekhatsi, iShayina, iCanada, iRashiya, iMelika (USA), nalamanye lambalwa emaveni ase Yuropu. Kulamave lawa i-Hemp isetjentiswa kwenta tiffo letinyenti letinetinjongo lehlukene nebantfu labanyenti labasebentisa lokukhicitwe ngaso kokufanana tingubo tayo iHemp, imigaco netimphahla tasendlini kanye nemafutsa lekentiwe ngato tinhlavu teHemp(hempseeds oil), such as hemp apparel and accessories to housewares and hempseed

oil cosmetics, i-hemp isetjentiswa kwenta timphahla, ticatfulo, emanabukeni, tintsambol, liseyili, makhalekhikhini, pherthiloli, liketane lekwegucoka, lipulastiki lelingaboli, liphepha, i-fibreboard, emabhloho asemende, kwekudla, kokugcobisa nensipho. Njengoba nje nikubona kwekutsi nangabe balimi betfu labamnyama banganiketwa lifuba balekelelwe kulima nsekukhuliseni i-Hemp, Cannabis L, kunetimakethe letisha lekungafinyelelwa kuto, letibomakhelwane naletisemaveni angaphandle kwaleli.

Inhlanyelo yehemp idzinga indzawo lepholile, ngekwesimo selitulu nemvula emnyakeni nobe kuniselwa cishe ngelizinga la 500 kuya ku 700 mm. i-Hemp iba ilungele kuvunwa emalangenilangu 120 (lekutinyanga letingu 4) ngemuva kwekhlanyela. Leli lifuba lelikahle kakhulu sebalimi betfu sekukhulisa sivuno njengesitjalo lesivumako noma njengesitjalo sekusimisa balimi betfu. Ikakhuluuma hulumende alekelela futsi anaka nekusungulwa kwemagugu eNingizimu Afrika.
