I-SAFDA YETFULA I-AIRTIME/TENHLELO TAMASINGCWABISANE TESAFDA

Umkhicito we-SAFDA we-Airtime usebentisa imali lecitfwa balimi ngenyanga kute atfole luhlelo loluphelele lwetinsita letibalulekile.

tekungakhoni kutfole tinsita letibalulekile. Ngekubona loku i-SADFA yacala luhambo lolusha, isebentisana nebaholi betimboni letihlonishwako kubukana ngalokuphelele naletidzingo letehlukile ngekusebentisa sisombululo lesinelwati.

nemitfombo yemininingwane lebalulekile.

Live lalamuhla
ligcugcutela kusetjentiswa

Umkhicito we-SAFDA we-Airtime usebentisa imali lecitfwa balimi ngenyanga kute atfole luhlelo loluphelele lwetinsita letibalulekile.

NgaSeptember 30, 2023, i-SAFDA, yembule tindhlelo temkhicito wayo we-Airtime/Funeral Cover ngekubambisana kwayo nemikhakha lemikhulu lefaka ekhatsi i-Sanlam, i-MTN, i-Discovery, i-Samsung, kanye ne-Huawei, lekulihlelo lekuhloswe ngalo ingucuko nekuhlomisa balimi baseNingizimu Afrika.

Kubaluleka kwaloluhlelo kucinisekisa kutsi bonkhe balimi bayakhona kutfole i-airtime yekuchumana ngalokubalulekile, futsi loku kuveta kubaluleka kokukhulumisana.

I-Samsung kanye ne-Huawei banikete ngetincingo, kanye nemshuwalensi wetincingo we-PSG Wealth, kucinisekisa kutsi balimi bahlala bachumana nemiphakatsi yabo kanye

Balimi baseNingizimu Afrika bebasolo bahlangabetana netinsayeya letehlukile

kwetebuchwephesha, kufinyeleleka kweminingwane kubalulekile. Lomklamo ucinisekisa kutsi balimi banetindlela tekutfola imitfombolusito ye-inthanethi, kutfutukisa tindlela tabo tekulima kanye nekutfola lwati.

Sicilesibalulekilesaloomkhicitokufakaekhatsi masingcwabisane lokhishwe yiSAFRICAN, lobhalwe yiSanlam. Loku kucinisekisa kutsi, umtfwalo wemali uyancipha ngetikhatsi tekulahlekelwa, lokubuye kunikete balimi nemindeneni yabo kuhlaliseka kwengcondvo.

Ngetulu kwaloko, i-SAFDA Airtime Product iniketa kufinyelela ku-Discovery Primary Care, lokusebenta njengelusito lolubalulekile loluhlelo lwetekwelashwa kubalimi. Loku akugcini nje ngekunakekela imphilo kodwa kuphindze kuyufake sandal ekutfutukiseni imphilo lenhle.

Ube yimphumelelo lenhle umcimbi wekwetfulwa ngalokusemtsetfweni lobewubanjelwe KwaShukela, 170 Flanders Drive, Blackburn Estate, Mount Edgecombe. Lababebekhona batibonele ngewabo kutsi i-SAFDA Airtime Product yetsembisa kwenta umehluko lomkhulu etimphilweni tebalimi baseNingizimu Afrika.

I-SAFDA hlala itimisele kwesekela nekuhlomisa balimi baseNingizimu Afrika, futsi lomkhcito usibonakalisalo kutimisela.

SIKHATSI SASE-NCORA SEKUVUNA SANGA-2022/2023

Dr Phiwe Jiba

Nobe kunjalo, sikhatsi lesicondzile sekuvuna siyahlucaa ngekuya kwesimo sendzawo kanye naletinye timo, njengekusetjentiswa kwemkhicito wekugcina.

E-South Africa Ummbila uhlanyelwa kusuka ngenyanga ye-Mphala kuya ekucaleni kwenyanga ya-Bhimbidwane ngelusuku lwekuhlanyala ngesikhatsi setimvula. Kuhlanyela ummbila kahle ngasemphumalanga kusukela nga-October 1 kuya kuNovember 30, ngesikhatsi kuhlanyela kahle ngasenshonalanga kusukela nga November 20 kuya kuDecember 31, kyhlanyela enshonalanga kungaphiundze kudvonse sikhatsi kudzimate kube semkhaatsini wenyanga yaBhimbidwane nakwenteka kutsi timvula taleso sikhatsi tifike ngemuva kwesikhatsi. ngsalokuvamile, tinhlobo letinyenti temmbila tihlala emalanga langu-100 kuya kulangu-120 kusuka ekuhlanyelweni kuya ekuvunweni. Nobe kunjalo, sikhatsi lesicondzile sekuvuna siyahlucaa ngekuya kwesimo sendzawo kanye naletinye timo, njengekusetjentiswa kwemkhicito wekugcina.

Sikhatsi semnyaka wa-2022/2023 besibahambela kahle kakhulu balimi basemmangweni wase-Ncora Irrigation Scheme. Lesikhatsi sacala kahle ngemmbila lomtfubi lobukeka umuhle. Ngekusho kwaSihlalo we-CPA, Mnu.AceThosholo, kumamogeni langu-25 lahlanyelwe ummbila lomtfubi, angu 72 emathani emmbila lahanjisiwe ayiswa ku- Amadlelo Dairy Farm leyakhokha imali lelinganiselwa ke- R274 680.00. I- Amadlelo Dairy Farm isebentise intsengo ye-SAFEX lekhona yemmbila

Bebabhadalwa R100 ngelilanga, basebenta kusukela ngensimbi ya-08h00 ekuseni kuya ku-17h00 ntsambama.

lomtfubi lecishe ibe ngu-R3 815 njengentsengo yayo yekutsatsa. Bacashe bantfu labangu-20 labahlala eNcora, muntfu ngamunye wabo bekatfole imali lengu-R500 ngeliviki. Bebabhadalwa R100 ngelilanga, basebenta kusukela ngensimbi ya-08h00 ekuseni kuya ku-17h00 ntsambama. Lommbila lomtfubi lowavunwa wawugcinwe ngemuva kwengadze yaSihlalo, lommbila ungalimala nobe kube kubi kakhulu, ungabe usalungela kudliwa bantfu noma tilwane uma ungagcinwa kahle noma ungacutfungulwa kahle.

I-Mzola Agro-mix project isebentise indlela yekuvuna ngesandla.kuvuna ngetandla kwentiwa emasimini lamancane kakhulu noma engadzeni lapho khona ummbila uhlanyelwa kutsi udliwe bantfu nobe udliwe tilwane tase- Amadlelo Dairy. Lokuvuna ngesandla akubiti

futsi akutsatsi sikhatsi lesinyenti ngobe umuntfu munye udzinga emahora lasemkhatsini kwa-30 kuya ku-100 kute avune lihekitha linye lemmbila.

I-SAFDA kanye ne-CPA ifisa kuba nemishini yekuuna, noma ke icashwe kanye nalone likhono lekuyisebentisa ngesikhatsi sekuvuna lesitako ngoba lendzawo lehlanyelwe itawukhuliswa ibe mgemahekitha la-100. Ummbila uvunwa ngemishini, k u s e t j e n t i s w a i m i s h i n i yokubhula, yekujuba nobe yekuhlanganisa. Kuphatfwa kabi kwemmbila ngemuva kwekuvunwa, kungenta kutsi lommbila ungabi nguloneliuizinga lehle.

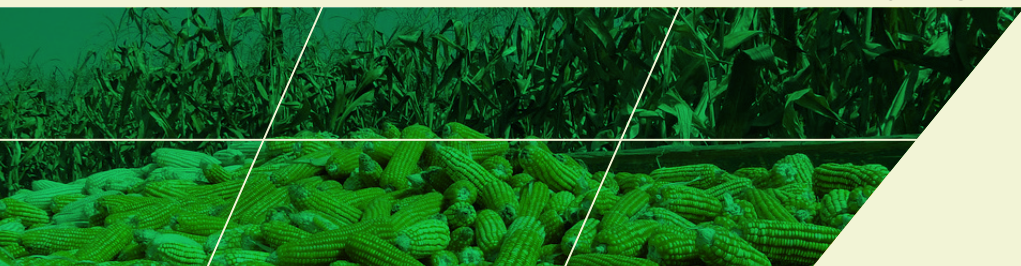

Tincomo tekuvuna ngesikhatsi lesilandzelako

- Kuninisekisa kutsi banendzawo lekahle yekugcina

lokuvuniwe ngaphambi kwekuvuna nanobe kungumsebenti wekugucula lokutsite

- Yenta siciniseko sekutsi letitjalo tomile kahle ngaphambi kwekutsi ucale kugaya
- Gcina ummbila lonemacembe endzaweni leyomile futsi levikelekile. Uma uhlela kugcina ummbila sikhatsi lesitsite, kuyintfo lenhle kutsi uwugcobise ngemaphilisi ekuwuvikela bese uvala emasaka akho nge- tarpaulin.

Wonkhe umfutfo labawentako lomncane labawentako ungaba nemtselelalomkhuluekukhuleni kanye nakulizinga lemmbila labayivunako. Umangabe emanani aphansi njenganyalo ngekuya kwe SAFEX, tonkhe letintfo tingenta umehluko lomkhulu ngekwemali lengenako.

Sicelo se-South African Farmers Development Association (SAFDA) sengungenelela etindzabeni tekuguculwa kwemhlaba, satfolasicinisekiso lesihle ngemnyaka wa-2019 ngesikhatsi lenhlangano itstsa umsebenzi wekubamba umhlangano wekuguculwa kwemhlaba e-White River, eNelspruit, esifundzeni saseMpumalanga mhlaka-24-25 September 2019. Tiphatsimandla letinyenti letinyenti tabambisana taba betiyincenye yalenkhulumo. Bekunetindzaba letimbalwa ngaphambi kwalengcungcutsela latabonwa njengaletinenkinga

uma kukhulunywa ngetindzaba teluhlelo lwekuciniswa kwemhlaba kanye netinhlelo tekubuyiselwa kwemhlaba kumkhakha weshukela, kepha bekugcizelelwe kakhulu kumiklamo yeMpumalanga Restitution Land Reform projects (Community Property Associations-CPA neCommunity Trusts). Lomhlangano wahanjelwa ngibo bonkhe labafaka sicelo sekubuyiselwa kwemhlaba waseMpumalanga. I-Matsamo CPA, Mawewe CPA, Mhlaba Trust, Libuyile Community Trust, Ingwenyama Simhulu Trust, Bambanani Mlambo Trust (BMT), Mjejane Trust, kanye ne-RCL sugar mill-initiated Land Reform Project, ne-Siyathuthuka Estate Farm. Lenkomfa beyigcile ebudlelwaneni emkhatsini walabafake ticelo kanye nebalangani babo, ikakhulu budlelwane bemabhizinisi lahangene lobuvame kwakhiwa emkhakheni walabafake ticelo kanye nebanikati bemhlaba labamhlophe. Lilanga lekucala lenkomfa lagcila ekubukisiseni tihhlobonhlobo tebungani

bekuhlelwa kwemhlaba, ikakhulukati emabhizinisi lahanganyelwe kute kuvisiswe kutsi ngubani lozuzile kuloluhlelo. Baholi labavelss emiphakatsini labangafaka sicelo, balangani be-JV bekufanele babelane ngelwati lwati lwabo ngekubika tindlela tabo tekukhucita, tinzuzo letitfolakalako, tindlela tekusebenta te-value chain, tekuutfutfukiswa kwemakhono kanye nekuhlomisa, kulawulwa kwe-JV kanye nemitimba lephetse umhlaba. Lilanga lesibili labuketa imiklamo leyehlukenene lechutjwa iphindze isekelwe nguhulumende kanye nemkhakha lotimele kute kukhuliswe umnotfo walenzawo wasemakhaya. Kwetfulwa kwetinhlangano letibaluleke kakhulu ekuguculweni kwemhlaba kanye nesikhala se-SSG, ematfuba ekulungisa tekulima, kanye nematfuba ekulungiss kutekulima. Lesisusa salenzaba sitsatfwe ekucocisaneni nemaKhomishane lahlukene ngesikhatsi salomhlangano wetinsuku letimbili bese kubukwa

inchubekembili, kanye netihibe letingavimbela kutfutufukiswa kweminyaka lemine ngemuva kwenkomfa ye-SAFDA yeLand Reform Indaba.

I-SAFDA yetfulwa kwekucala eMpumalanga ngemnyaka wa-2017 futsi yacala kusebenta ngalokusemtsetfweni ngemnyaka wa-2018. Emnyakeni wekyucala wesebenta kwe-SAFDA eNkomazi, yabukana netinkinga letinyenti letihlobene nendlela imiklamo yekuguculwa kwemhlaba, ikakhulukati indlela yekuphatfwa nekulawulwa kwemiklamo yekubuyiselwa kwemhlaba isetjentwa ngayo. Letinye tinkinga letiphakanyiswe ngemiklamo ngesikhatsi sekwetfulwa kwato, kubala nje letimbalwa lokufaka ekhatsi kungabi khona kweluhlelo lwekubambisana kwemphakatsi lozuzako, kukweleta kwebhizinisi ye-JV lokusezingeni lelisetulu, kungabi khona kwebasebenti labasetulu (basemphakatsini) ekuphatfweni kwqelipulazi kanye netikhundla tekuphatsa kanye nekutsatsa tincumo, kuswelakala kwekulekelelwa masinyane ngemuva kwekudluliselwa kwemhlaba, kanye nekuhamba kancane kwenchubo yekudluliselwa kwemhlaba.

Simo sanyalo seluhelo lwekulungisa umhlaba

Umkhakha wetingucuko temhlaba washukela waseNkomazi bewubekene netimo letibi kakhulu ngenca yetinkinga letinyenti eminyakeni lemitsatfu leyengca. Imiklamo lemitsatfu yekubuyiselwa kwesimilo igucule sakhiwo sekuphatsa lokubangelwe timo letingatsandzeki letivela ekushonenikwebaholibemiklamo kanye netiphiytisiphitsi letivela emacenjini latsintsekako, lokwenta kube nesikhala kulesakhiwo sebaholi balemiklamo lestintsekako. Letimo letingagwemeki taletsa kungatsembakali kwebuholi bakemiklamo nanobe labanye bacala kuvusa inhloko, indlela yekuphindze

babuyele itsatsa sikhatsi lesidze kuleminye imiklamo. Emkhatsini walemiklamo lesiphohlongo yekuguculwa kwemhlaba lebeyihlanganyele kulomhlangano we-SAFDA wenkomfa ye-Land Reform Indaba, mine kuphela losasebenta kantsi leminye isazama kuvusa inhloko, bese kutsi leminye seyivele iphetfwe.

Kubuyeketwa Kwemisebenti Yemihlangano Yekuyiselwa Kwemhlaba

Lenkomfa ye-SAFDA Land Reform yaletsa titselo kanye nelinani lemakhomishini kanye netinyatselo kusukela lapho. Lomhlangano wakhicita emakomishini lasihlanu. Likomidi 1 ligcile ekuphatfweni kwe-Joint Venture Agreements.

• Ngaphansi Kwekhomishini 1 tinyatselo letifana nekubuketa tivumelwano te-JV letikhona, kubuketa sakhiwo te-JV, kubuketa sakhiwo sebunikati be-JV, kubuketa kwebulungiswa kanye nekulinganiswa kwekulawula kanye nekuhlanganyela, kubuketa tinchubo tekubekwa kwebasebenti kanye netinchubomgomo ku-JV, kunciphisa tindleko tekusebenta kwe-JV kanye nekugcugcutela tinsita tekusekela.

• Ikhomishini 2 igcile ekuhlelweni kabusha kwetikweleti letisemtsetfweni ngemuva kwenchubo yekuhlolwa kwetimali tekwebolekwa kanye naletinye tindlela letibhekiswe ekubukisiseni budlelwano. Tinyatselo letiningi tekwetama kunciphisa lizinga letikweleti kuma-JV lamanyenti lasunguliwe titawutsatfwa lapho i-SAFDA itawetama kuchumana nematiko ahulumende i-South African Reserve Services (SARS) kanye ne-Department of Rural Development neLand Reform (DRDLR) ngelitsembe lekwetama kutfola kunggenelela kwekwehlisasikeleti kuma-JV lanetikweleti letinkhulu. I-SAFDA

nayo beyitawuchumnana ne-DRDLR kute isite ngetimali tekukhicita ngaphansi kwalomsebenti.

• Ikhomishini 3 igcile kumisebenti lecondziswe ekutfutufukiseni emakhono ngekhatshi kwekusungulwa kwe-JV kwentela kuvumela emalunga emphakatsi kutsi atsatsa tindzawo ekwenteni tincumo kulemisebenti. Ngalesikhatsi salomhlangano kwatfolakala kutsi tindhlelo tekutfutufukisa emakhono tikhona ephepheni kuphela kuletinye tindhlangano te-JV kantsi letinye betite tona. Sidzingo sekuhlolwa kwemakhono sakhuliswa sacinisekiswa yi-SAFDA kanye nelitfuba lekusungula likomidi lekubuka nekulinganisa leliphetse kuphela imiklamo yemphakatsi ekutfutufukisweni kwemakhono.

• Ikhomishini yesi-4 ibuke kakhulu kutfutufukiswa kwemabhizinisi kanye nekuhlanganyela kwebalingani bemphakatsi ekusebenteni kwebudlelwane. Tinkhulumiswano letivela etetfulweni temiklamo yemphakatsi tikhombise kutsi kute kubamba lichaza kuloluhlelo lwekukhicita umoba futsi kute tindhlelo tesikhatsi lesitako tebosomabhizinisi bemphakatsi kutsi basebentise ematfuba laniketwa nguloluhlelo lwebudlelwano. Njengetinyatselo tekubukana nalenchabhayi, lobudlelwano bekufanele bufike netindhlelo tekutfutufukisa ibhizinisi. Tindhlelo tekutfutufukiswa kwemabhizinisi bekumele tentiwe bese tetfulwe ku-MEC weNtfutuko yeTemnotfo esifundzeni. Bekumele kuhlolwe ematfuba ekwenta tintfo letehlukahlukene.

• LiKhomishane 5 ligcile ekuphatfweni kwemhlaba kanye netindhlangano temabhizinisi kanye nasebudlwani bemphakatsi. Kwetfulwa kwemiklamo yemphakatsi kwaveta kutsi incumbi yetinzuzo letikhokhelwa labazuzako beyiloku yehla futsi incumbi yato ivela ekucashiseni

umhlaba kepha hhayi inzuzo levela kubudlelwano. Tinyatselo letatsatfwa tekubukana nenkinga yeKhomishini 5 kwaba kwakha likomidi lekulamula nekusombulula kungcubutana kute lisite ngetindzaba tangekhatsi netangaphandle.

Imiphumela lemihle ngemuva kweminyaka lemine yemhlangano.

Ngelishwa, tonkhe tinyatselo telikomidi le-SAFDA lekuguculwa kwemhlaba betitsintseke ngenca yemkhuhlane we-Covid-19. Live lonkhe lavalwa futsi kwavalwa nekuhamba kanye nekuhlangana. Lokuncishiswa kwekuhamba kwaphazamisa umnotfo wemhlaba kanye netinchubo tekuphatsa, ngaloko-ke letinye tinyatselo talamanye emakomidi atange tiphumelele. Nanobe kunjalo, kunetintfo letinhle letitsite nanobe kunetinsayeya tekutfufukisa letibangelwe sifo i-Covid-19. Ngekufana, umnyaka wa 2018/19 kwaba ngumnyaka lapho litiko letekulima (DALRRD) lalalisa luhlelo lwekwesekela kutfufukiswa kwemhlaba (LDS) ngemuva kwekutsi luhlelo lwekwakha kabusha kanye nekutfufukisa (RECAP) luyekelwe ngumnyaka wa 2017/18. UKwetfulwa kwe-LDS kwahambisana netihlokwana letitsite lekukhulunywe ngato emakomidini ngesikhatsi salenkhomfa kufaka ekhatsi kwenta ncono luhlangotsi lwekusitwa ngetimali ngumnyango. Ngisho nangesikhatsi sekubhehbetseka kweligciwane le-Covid-19 emhlabeni wonkhe, i-SAFDA yakhona kuniketa tindhlelo temabhizinisi ema-LDS kutsi asite imiklamo lemibili yemphakatsi i-Bambanani Mlambo Trust kanye ne-Matsamo CPA leyaba nemiphumela lemihle. Luhlelo lwebhizinisi lwe-BMT lwavunywa ngembi kwekucala kwe-Covid-19 futsi lwaphunyeleliswa ngemphumelelo ngesikhatsi se-Covid-19 ngalesikhatsi i-Matsamo CPA nayo yabuyeketwa futsi yahanjiswa ngesikhatsi se-

Covid-19 yase itfolo kuvunyelwa ngemuva nje kwe-Covid-19. Loluhlelo lwe-LDS luniketwa kuphela kumiklamo lephetfwe ngalokuphelele ngumphakatsi futsi lekhusata kutilawula kwemapulazi (lemiphakatsi nyalo ayisakwati kwakha budlelwano lobungaletsi inzuzo kumphakatsi).

Lenchubo yekwabiwa kabusha kwemhlaba yaphindze yamiswa ngenca yelubhubhano lwe-Covid-19, kodwa sibubonile budlelwane lobuphumelele etinhlelweni letintsatfu tekubuyiselwa kwemhlaba eNkomazi. Tinyatselo letiningi telikomidi leSAFDA lenkomfa yeLand Reform Indaba nato tamiswa kepha kukhona lokuhle lokufaka ekhatsi tinchubo tekusetjentiswa kwetindhlelo te-LDS Business, tindlu te-Land Reform Projects tekusebenta, imihlangano yekwakha emakhono ebuholi kanye nekuceceshelwa kuPhatfwa kweMali kanye nekuLawulwa lokulandzela ngekushesha lenkomfa nga-2019.

I-Bambanani Mlambo Trust kanye ne-Matsamo CPA ngito kuphela tindhlelo letitfole inchubekelembili lebonakalako ekufuneni kusebentisa tincumo taleNgcungcutsela. Lamaphrojekthi nyalo asebentisa tindlela tetikuphatsela ngekwawo lelipulazi lelisandza kuniketwa. Siphindze sabukana nekuhlanganyela kwebakhonti belibhizinisi bemmango kuletinye tetindhlelo temphakatsi. Tindlela tekuphatsa letisetulu kulamanye emaphrojekthi tibuye tahloliswa futsi talungiswa ikakhulukati kumaphrojekthi lanetinkinga letincane.

I-SAFDA iniketwe litfuba lekusita imiklamo leminyenti yekuguculwa kwemhlaba ngumnyaka wetimali wa-2023/24 ngaphasi kweluhlelo lwe-LDS. Umsebenti we-SAFDA uyachubeka ngekwandzisa umkhakha weshukela kanye nemiklamo leminyenti yetintfo letinsha lesitwa yi-SAFDA kusuka eBarberton ngaphansi

kwaMasipala wase-Mjindini. Leminye imiklamo lemibili yekubuyiselwa kwemvelo kuMasipala waseNkomazi ilindzeleke kutsi iphindze itfole tinzuzo kuloluhlelo lwe-LDS kulomnyakatimali, luhlolo lwelipulazi, luhlelo lwebhizinisi kanye neluhlelo lwekutfutukiswa kwemphakatsi sekulungiselelwe.

Ngekuphetsa, kunemsebenti lomnyenti losengakentiwa lohlobene netento lokuvunyelenwe ngato emakomidini ngesikhatsi semhlangano. I-SAFDA isendleleni yekuphindze ivuselele umsebenti wekulungisa umhlaba endzaweni yaseNkomazi. Njengendlela yekuchubeka, kuneluhlelo loluhleliwe lwekuvuselela luhlelo lwekulungisa umhlaba lapho khona onkhe emakomidi kanye netinyatselo letihambisanako titawubuyeketwa futsi tinakwe nyalo njengoba lamanye emaphrojekthi ahlelwe kabusha futsi nyalo aphindze asebenta ngekuvumelana. Tonkhe tincumo taleNgcungcutsela titawulandzelelwa kute kwentiwe ncono luhlelo lwekuguculwa kwemhlaba. I-SAFDA Mpumalanga solo inemsebenti lomnyenti wekwenta ncono luhlelo lwekuguculwa kwemhlaba endzaweni yaseNkomazi.

UMPHUMELA WEKWENYUKA KWEMANANI EMAFUTSA KUBALIMI

Njengobe sikhatsi sekuhlanyela sesicalile, balimi kutawudzingeka kutsi babhekane nekwenyuka kwetindleko temafutsa nedizili naletinye tetintfo letisetjentiswako. Kusukela nga-August kuya ku-March, balimi bemoba basebentisa lesikhatsi kute balungise umhlaba futsi bahlanye umoba. Lona ngumsebenti lowentiwa ngemishini lesetjentiswa bakhciti bendzawo. Kunekukhatsateka mayelana nemtselela walokwenyuka lokukhulu kwe-fuel lotawuba nawo ku-value chain.

Balimi bemoba batsebele kakhulu kumakhontileka kutsi bente kuvuna, kuhanjiswa kwemobaa kusuka ensimini kuya endzaweni yekulayisha kusetjentiswa tigulumba letinenemathrekhi langetulu kwemathani la-8 lalayishwa ngemshini wekulayisha umoba noma lithrekhi lelilayisha emathani la-5. Uma umoba ukhishwa endzaweni yekulayisha, ufakwa elolini lelingemathani langu 28 kuya ku 34 lelihambisa lomoba kulesakhiwo sekukhicitela. Intsengo ye-diesel ngiyo leyenta kutsi kube nekutfutsa kanye nekulayisha lokutsatfwa balimi. Ngaso sonkhe

sikhatsi uma intsengo yemafutsa ikhula, emakhontileka abuka intalo yawo bese ayayikhulisa kute ahlale ebhizinisini, ngaphandle kwekubuka umtselela lotawubakhona kulentalo yebhizinisi yetekulima.

Kumcoka kutsi ubuke lokwenyuka kwemanani e-diesel kanye nalamanye emafutsa kanye nekwenyuka kwemanani emanyolo kanye nemakhemikhali. Lokwenyuka kwemanani kwemafutsa etimoto kucedza lomkhicito kuze kube ngulapho balimi banciphisa noma bayekela kuvuna, lokufaka ekhatsi kufakwa kwamanyolo nemakhemikhali. Loku kuholela ekunciphiseni kwemathani latfunyelwa ngesikhatsi lesilandzelako. Umtsamo lomncane wemathani uholela emalini lencane, imali lencane yekwenta inzuzo. Kute aphile lomlimi kudzingeka anciphise linani lebasebenti basemapulazini nobe anciphise linani lema-hora lasebenta ngelilanga. Ingoti lengetiwe kutsi balimi badzinga kwenta tibalo tabo tetetimali kusenesikhatsi, uma sibona kukhuphuka kwemanani etintfo tekwakha kanye netindleko tekusebenta, balimi ngesikhatsi sekulima badzinga kutfolo imali

lengetiwe yekusekela ibhizinisi, futsi loko kungaba yinkinga kulabanye balimi betfu kutsi batfole imali lengetiwe nobe imali yekubhekana nekukhula kwetindleko tekusebenta ngenca yekungahlangabetani netimfuneko tekufaneleka kutfolo timali.

Lokwenyuka kwemanani emafutsa kuba nemtselela lomubi kubalimi, emakhontileka, tigayo kanye nemkhakha ngoba linani le-Recoverable Value alikhuli ngekushesha lokulingana nekwenyuka kwemanani e-diesel.

Njengobe sikhatsi sekuhlanyela sesicalile, balimi kutawudzingeka kutsi babhekane nekwenyuka kwetindleko temafutsa nedizili naletinye tetintfo letisetjentiswako.

E-KZN kwakhiwa sekucalile kuletinye tindzawo te-FPSU. I-FPSU ayisiyo nje intfo leyakhiwe ngematje nje kuphela; kepha iluphawu lwentfufuko, lwekusimama, kanye nekutinikela ngekuhlanganyela ekuphakamiseni tindlela tekulima tendzawo.

Ngalelo nalelo langa lelilandzelako, kusondzela sikhatsi sekutsi kube yintfo mbamba, leytawuba siphephelo kubalimi labafuna kwemukela tindlela letinsha tekulima kanye nekutfutukisa imisebenti yabo yetekulima. Ku-FPSU, kusungula tintfo letinsha kuyintfo lebaluleke kakhulu. Tikhungo letisezingeni lelisetulu kanye nemitfombolusito kuhlonyswe kahle kute kuniketwe balimi emathulusi kanye nelwati labaludzingako kute baphumelele. Kungaba tindlela tekulima letisezingeni lelisetulu, tindlela tekulima letichubekako, nobe kufinyelela ematfubeni lamasha emakethe, i-FPSU ilungele kuba yintfo leletsa litsemba kumphakatsi wetfu wetekulima.

Eminyakeni leyengcile, iSAFDA beyisolo ihamba embili etinhlelweni letihlose kutfutukisa indzawo yetekulima eNingizimu Afrika. Kubambisana kwetfu neLitiko Letekulima, Kuntjintjwa Kwemhlaba kanye Nekutfutukiswa Kwetindzawo Tasemakhaya ekwetfulweni kwePhrojekthi ye-FPSU, kuholele ekuvuselelweni kwemahhovisi ebalimi emiphakatsini leyehlukahlukene kulo lonkhe leKomati Malelani. Umphumela walokuvuselelwa awukagcini nje ngekwenta kube ncono, kodwa ukhombisa intfutuko, litsemba kanye nemakhono emmangweni wakuleyo ndzawo. Emahhovisi lakhiwe kabusha, latfolakala eWalda, eMfumfane, eFigtree C&D, naseFigree A, sekayindzawo lebalulekile yebalimi, abaniketa indzawo lebalungele kuhlela, kusebentisana, kanye nekutfolela imitfombolusito lebalulekile

kute baphumelele. Lomklamo wekuvuselela awugcini nje ngekwenta letindzawo tibe ncono, kodwa uphindze ube kutibophetela ekunikeni balimi bendzawo emandla kanye nekukhutsata kukhula kulomkhakha llobalulekile wemnotfo.

Kuphumelela kwalomklamo kuvuse litsemba kubalimi. Balimibakuleyondzawobabona lamahhovisi lakhiwe kabusha angasiwo nje kuphela takhiwo; bawabheka njengetimphawu letiniketa litsemba, ematfuba, kanye nentfutuko. Ngale mitfombolusito yesimanje, bakulungele kahle kubukana netinsayeya letisipesheli labahlangabetana nato onkhe malanga, kungaba kuphatfwa kwenhlanyelo, kufinyelela kumakethe, nobe kuhlenganiswa kwetheknoloji.

I-SAFDA IHAMBA NELISEKELA LENDVUNA YETEKULIMA, LUHLELO LWEKUGUCULWA KWEMHLABA KANYE NEKUTFUFUKISWA KWETINDZAWO TASEMAKHAYA, MHLONISHWA MCEBISI SKWATSHA, EMHLANGANWENI WEKUHLANGANYELA NEBANIKATI BEMHLABA BASENCORA

Led by the visionary Executive Chairperson, Dr. Madlala, SAFDA played a central role in driving initiatives aimed at fostering positive change and sustainable growth within the Ncora community.

Ngekukhombisa bunye kanye nekutinikela ekutfufukiseni tindzawo tasemaphandleni, Inhlango Yekutfufukisa Balimi baseNingizimu Afrika (SAFDA) ihlangane neliSekela leNdvuna yeLitiko Letekulima, Kuvuselelwa kweMhlaba kanye Nekutfufukiswa Kwetindzawo Tasemaphandleni, Mcebisi Skwatsha, kuchubumhlango lobalulekile wekuhlanganisa labatsintsekako ne-Ncora Land Claimants kanye nalabanye labatsintsekako eKofimvaba, e-Intsika Yethu Local Municipality.

Injongo yaloluhlelo bekukubili: kutsi hulumende anikete imphendvulo lebalulekile esiveni mayelana nekucedvwa kweticelo tabo temhlaba kanye nekuhlela indlela letawuchubeka ngayo ekuchubekeni netinyatselo letihlanganyelwe tekutfufukisa tindzawo tasemakhaya. Kuba khona kwe-SAFDA kulomcimbi kugcizelele kutibophetela kwayo lokucinile kulemigomo. Ekuchubekeni kwawo lomcimbi, kwase kuyacaca kutsi budlelwane be-SAFDA neliTiko bekusibonelo

Ngekuholwa nguSihlalo loweNgamele, Dkt. Madlala, i-SAFDA idlale indzima lesemkhatsini ekuholeni tindlela letihlose kutfufukisa tingucuko letinhle kanye nekukhula lokusimeme emphakatsini we-Ncora. Lomcimbi, lowabanjwa mhlaka 5 October 2023, waba yintfo lebalulekile ekutibopheteleni kwe-SAFDA ekutfufukiseni tindzawo tasemakhaya.

I-LETHESETHU FARMING (PTY) LTD ITFOLA UMNKELO WE-R70 000 KUDKT SIYABONGA MADLALA EMHLANGANWENI WEBALIMI BASEMACAMBINI.

I-Lethesethu Farming (Pty) Ltd yasungulwa nga-July 2016, futsi isibonelo lesihle sebantfu labasha labamnyama labatsandza kutsengisa kanye nekubamba lichaza emkhakheni wetekulima.

I-Lethesethu Farming (Pty) Ltd yasungulwa nga-July 2016, futsi isibonelo lesihle sebantfu labasha labamnyama labatsandza kutsengisa kanye nekubambalichaza emkhakheni wetekulima. I-Lethesethu Farming ikhichita tinhlobonhlobo temikhicito yetekulima lefaka ekhatsi umoba, tibhidvo kanye nemikhicito yetilwane. Kulinywa kwemhlanga kwenteka endzaweni lapho khona emazinga ekushisa asukela ku-20 kuya ku-35 degrees Celsius, nekukhula kwetinyanga leti 10-18. Kulima tibhidvo kutsatsa emahektha lamane emhlaba wabo, lokufaka ekhatsi tibhidvo letifana nesipinashi, pepper, anyanisi kanye nemoba. Ngetulu kwaloko, i-Lethesethu ikhulisa tinkhukhu letincane, icala ngekukhulisa lamntjwele lamancane lachishe abe nelilanga linye budzala tize tilungele kutsengiswa ngemaviki lasitfupha.

Lenye yetintfo letihlukile teLethesethu Farming

kutimisela kwayo kutemfundvo nekutfufukiswa kwemakhono. Lenkapani iniketa kuceceshwa kubantfu labafundza etikhungweni letehlukene. I-Lethesethu inekukholwa lokucinile emathubeni lalinganako kanye nenchubomgomo yekucasha lengabandlululi, kucinisekisa kutsi wonkhe umfundzi utfola lwati lolubalulekile kanye nemakhono ngekhatsi kwesikhungo sabo. Lendlela yekusebenta ngekutimisela ifaka sandla ekukhuleni kwelwati kanye nemakhono

Dkt. Siyabonga Madlala wetsembisa kunikela ngemali lengu-R70, 000 kuLethesethu Farming kute kwakhiwe umgodzi wekubhola emanti,

emkhakheni wetekulima.

Inkinga Yekuphelelwa Emanti Kanye nekungenelela kwa-Dkt. Kukhuluma kwaSiyabonga Madlala

Esikhatsini lesengcile, i-Lethesethu Farming ibukene netinsayeya letinkhulu temanti. Bafundzi bekufanele bayokha emanti edamini lelincane kute banisele inhlanyelo,

lokwakufaka sandla etinkingeni tabo tamalanga onkhe. Nanobe kunjalo, lesimo safutfuka ngesikhatsi Dkt. S. Madlala wavakashela lelipulazi kute atewubona umsebenti wabo lomuhle. Ajatjuliswe kutinikela nekutinikela kwabo, akazange agcine ngekubancoma kuphela, kodvwa waphindze wabaniketa likhambi lelisebentako laleninga yabo yemanti.

Dkt. Siyabonga Madlala wetsembisa kunikela ngemali lengu-R70, 000 kuLethesethu Farming kute kwakhiwe umgodzi wekubhola emanti, ngekusebenta kahle ekubhekaneni nekushoda kwemanti. Umtselela walomnikeloangekeukhonjiswe, njengoba wetsembisa kuniketa umtfombowemanti lohlala njalo nalokwetsenjwako kulelipulazi.

KUCINISA NEKUSIMAMISA SITUKULWANE LESITAKO: KUTIBOPHELELA KWE-SAFDA KUTEMFUNDVO YETEKULIMA

Inspiring Grade 11 Agricultural Students of Mandla Mthethwa School of Excellence

Kukhutsatwa kwe Bafundzi belibanga le-11 beTekulima besikolwa i-Mandla Mthethwa

I-SAFDA ihlangane neSikhungo Sekucecesha i-KwaShukela kanye ne-South African Sugarcane Research Institute (SASRI) kute kukhutsatwe bafundzi belibanga le-11 kutekulima besikolwa i-Mandla Mthethwa School of Excellence. Inhlalo bekukuhlanyela tinhlavu telwati mayelana nemboni yeshukela lechubekako kanye nekubakhombisa ematfuba lahlukahlukene emisebenti lebalindzele kuleSikhungo Sekucecesha i-KwaShukela.

E kuti bopheteleni lokungagucuki kwekuhlomisa situkulwane lesilandzelako sebantfu labatsandza tekulima, iNhlango Yekutfutukisa Balimi baseNingizimu Afrika (i-SAFDA) muva nje ibambe lichaza emicimbini lemibili leyehlukile leye yashiya luphawu lolungacimeki etingcondvweni tebantfu labasha kanye nekuhlakulela umcondvo welitsemba kanye nematfuba emkhakheni wetekulima.

SAFDA yajabula kakhulu ngekuniketa bafundzi litfuba lekutfola ematfuba lamanyenti emisebenti kulomkhakha, kubenta kutsi baphumelele.

Kulomcimbi emalunga ahlanganyela labasha etinkhulumiswaneni letifundzisako mayelana netintfo letiyinkimbinkimbi tekulima umoba, kusukela ekulimeni kwenhlanyelo kuya ekucubunguleni. Labosolwati betfu labanelikhono abazange bagcine ngekuchaza ngesayensi lejabulisako yekukhicitwa kweshukela, kodvwa baphindze bagcizelela kubaluleka kwekulondvolotwa kanye nekunakekelwa kwemvelo kulendlela yekulima.

Lolusuku belunemiboniso leyenta bafundzi batibonele ngewabo tindlela tekulima umoba. Lemisebenti yekusebentisana yashiya umcondvo lomuhle futsi yavusa inkhanuko yetekulima kulabantfwana, labahamba nekubonga lokushangematfuba latfolakala kolamkhakh wetekulima.

Lenye yetintfo letibaluleke kakhulu kulomcimbi bekukuvakasha elwaw kweSikhungo Sekucecesha i-KwaShukela. Lapha, bafundzi batfola lwati loluphakeme lweteknoloji kanye netikhungo

lobalulekile, e-SAFDA nebafundzi tekufundzela, lokugcugcutela kutsi bacabange ngelikusasa lelihle kutekulima. I-SAFDA yajabula kakhulu ngekuniketa bafundzi litfuba lekutfola ematfuba lamanyenti emisebenti kulomkhakha, kubenta kutsi baphumelele.

Kubamba lichaza kuMatric Career Expo eDumbe neMajuba Mavuso Foundation

I-SAFDA itfole simemo lesihloniphekile lesivela ku-Majuba Mavuso Foundation kutsi ihlanganyele embukisweni weMatric Career e-eDumbe. Lomcimbi unikete i-SAFDA litfuba lelihle lekukhanyisela labafundzako ngematfuba emisebenti leminingi futsi leyehlukene lebalindzele emkhakheni wetekulima.

Ngesikhatsi salombukiso, emalunga e-SAFDA abekhona kute acosisane nebafundzi, aphenzvule imibuto, anikete ticondziso, futsi anikete kuvisisa emhlabeni wetekulima lojabulisako nalohlala ugucuka. Sigcizelele indzima lebalulekile yekulima emnotfweni waseNingizimu Afrika kanye nelikhono layo

lekuba nemtselela lomuhle emiphakatsini yasemakhaya kanye nasendzaweni.

Ngekuhlanganyela kulomcimbi, i-SAFDA beyihlose kuvusa lwati nekukhutsata bafundzi kutsi bacabangele likusasa labo kutekulima. Sikholelwa ekutseni lemicondvo lemisha, uma inakekelwa kahle iphindze icondziswe, itawudlala indzima lebalulekile ekukhuleni lokusimeme kwemkhakha wetekulima esiveni setfu.

Uma sicabanga ngaletentakalo letimbili letinemtselela, sikhunjutwa ngekubaluleka kwekusebentisa imali ekufundziseni kanye nasekukhutsateni titukulwane letitako tebaholi kutekulima. I-SAFDA iso itimisele kutfutukisa lutsandvo lwetekulima, kufundzisa lwati, kanye nekukhutsata lutsandvo lwalemboni lechubekako nalebalulekile. Sibuke embili kuchubeka nemitamo yetfu yekuhlomisa situkulwane lesilandzelako kanye nekulungisa indlela yelikusasa lelikhanyako, lelichumako kutekulima eNingizimu Afrika.

Kungena Kwashukela

Kungeniswa kweshukela ngalokusemtsetfweni kusebenta ngekuhambisana nemtsengo wemhlaba, li-Rand/li-Dola, kanye nelizinga lekufakwa kwemtselo, kokubili lokuhleliwe kanye nalokucatjangelwako. Tikhatsi letintsatfu letendlulile tibonise emazinga laphansi ekungeniswa kweshukela. Loku kwentiwe

ngekuhlanganiswa kwekubekwa kwemanani ngenca yetibopho te-Master Plan, kubita kwashukela lokuphakeme emhlabeni wonkhe kanye netindleko letinkhulu tekutfutsa letinciphise lokukhutsateka kwekungenisa shukela. Kusukela nga-Septemba 2023, linani leliphela leletintfo letingenisiwe tasuka kulamanye emave letitfolakele kulomnyaka (2023/2024) belingemathani langu-6 655.

I-SAFDA EMHLANGANWENI WE-20TH WE-AGOA

The AGOA Forum, established in 2000 under the African Growth and Opportunity Act, serves as a vital platform for fostering economic partnerships between the United States and eligible African states.

Iforamu ye-20th ye-AGOA, lebeyibanjelwe eJohannesburg Expo Centre eNasrec kusakela mhlaka 2 kuya kumhlaka 4 Novemba 2023, yahlanganisa ndzawonye labatsintsekako labamcoka kutsi bacoce ngelikusasa le-African Growth and Opportunity Act (AGOA). Ngaphansi kwesihloko lesitsi “Kwakha Budlelwane ne-AGOA lecinile, lechubekako nalefaka wonkhe umuntu kute kwesekelwe kutfutukiswa kwemnotfo, kutfutukiswa kwetimboni kanye nekusungulwa kwemisebenti lesezingeni”, leforamu beyihlose kucinisa budlelwane kutemnotfo kanye nekuhlola tindlela tekukhula lokusimeme kanye nentfutuko e-Afrika leseningizimu yeSahara.

Iforamu ye-AGOA, leyasungulwa nga-2000 ngaphasi kwe-African Growth and Opportunity Act, isebenta njengendzawo lebalulekile yekukhutsata budlelwane kutemnotfo emkhatsini weMelika kanye

nemave ase-Afrika lafanelekile. Leforamu yenta kube malula kutsi kube netingcoco emkhatsini kwebameleli bahulumende, tinhlango tetemnotfo tesigodzi, tikhungo tangasese, tinhlango temphakatsi kanye netisebenti letihlelekile.

Dkt. Siyabonga Madlala, Sihlalo loweNgamele we-SAFDA, uhlanganyele ngalokunemdlala kulomhlango, wacocisana

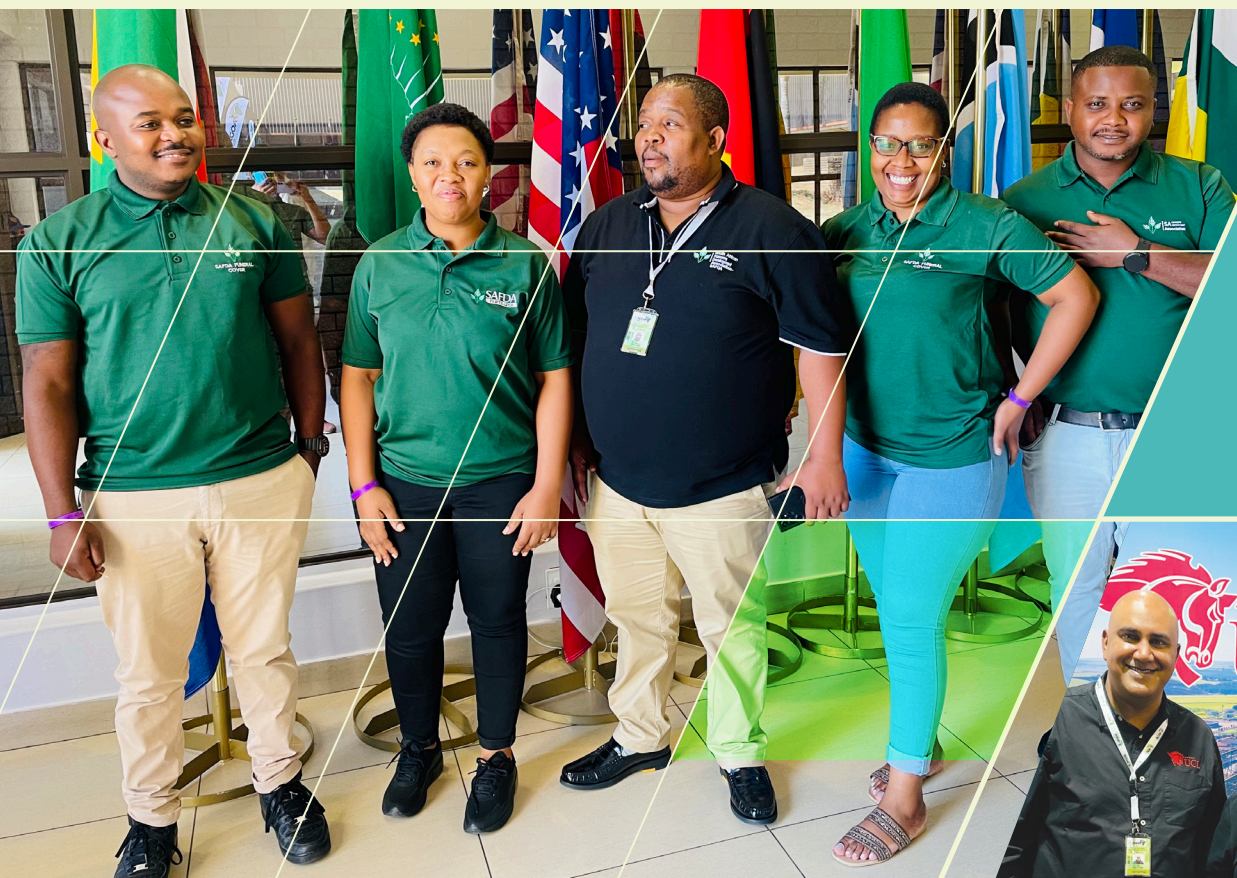

nebalingsi kanye nebaholi bemboni. Kuletingcoci swano bekukhona kucocisana kwakhe naJoanmariae Fubbs, Lisekela LaSihlalo weNhlango yeShukela yaseNingizimu Afrika (SASA), kanye nebabonisi beNhlango yeShukela yase-eSwatini, kugcugcutela kusebentisana kanye nekuntjintjiselana lwati embonini yashukela.

Dkt. Madlala waphindze wakhuluma naSiphamandla Gogewe-ENCA TV channel, akhuluma nge kubaluleka kwe-AGOA kumkhakha weshukela. Dkt. Madlala wagcizelela kutsi imboni yashukela, ngaphansi kweluhlelo lwe-AGOA, iniketa emathani langu-24 000 ashukela eMelika. Lomkhicito uhanjiswa ngelizinga lelisetulu kakhulu, lelingetulu kwelizinga lelisetulu lelisetimakethe.

Ngelilanga lekugcina laleforamu, Indvuna yeBafati, Lusha kanye Nebantfu Labakhubatekile eNingizimu Afrika, Nkosazana Dlamini-Zuma, uvakashele indzawo yekubukisa ye-SAFDA. Loku kwaniketa inkhulumo lemfishane kepha lejulile emkhatsini waNdvuna kanye nebakhaciti be-SAFDA, kugcizelela kutibophetela kwenhlangano ekuhlanganiseni kanye nasekuhlomiseleni.

Njengobe i-AGOA isondzela ekupheleni kwayo nga-2025, leForamu isebentise lelitfuba kute ivetele tindzaba letinempumelelo, iphendvule tinkinga letivimbela kwehlukahlukana kwemkhakha

wetekutfumela kanye nekukhuluma ngetindlela tekwenta ncono kusetjentsiswa kwe-AGOA. Kwengetelwa kwe-AGOA ngemuva kwa-2025 kubonwa njengentfo letawukhulisa kusisa e-Afrika, lokutawusita i-United States kanye nemave ase-Afrika. Lokwandzisa kutawuphindze kwesekele i-African Continental Free Trade Area (ACFTA), lehlanganisa emave langu-54 kanye nebantfu labatigidzigidzi leti-1.4.

Ngekuphetsa, kumbandzakanyeka kwe-SAFDA ku-20th AGOA Forum kukhombisa kutibophetela kwayo ekutfutukiseni timfuno tebalimi baseNingizimu Afrika kanye nekunikela ekutfutukiseni umnotfo jikelele walesigodzi. Njengobe tinkhulumiswano tichubeka, kugcizelelwa kakhulu ekwakheni i-AGOA lenemandla, lechubekako, nalefaka wonkhe umuntfu leyakhutsata kukhula, kutfutukiswa kwetimboni, kanye nekusungulwa kwemisebenti lesezingeni lelisetulu.
