I-SEASON YOKUVUNA YE-NCORA KA 2022/2023

Dr Phiwe Jiba
Project Advisor

Amadlelo Dairy Farm
asebenzise inani le-
SAFEX lombila ophuzi
elilinganiselwa ku R3 815.

Umbila utshalwa kusukela ngo-Okthober kuya ngasekuqaleni kuka Januwari eNingizimu Afrika, lapho usuku lokutshala oluqondile luncika ekutheni imvula izofika nini. Ukutshala okunzululu ezisezindaweni ezisempumalanga kuqala zizinye ku Okthober kuya ku 30 November, kanti entshonalanga ukutshala kuqala ngo 20 November kuya 31 December. Ukutshala entshonalanga kuyenzeka kudluliselwe maphakathi noJanuwari uma izimvula zifike ngemuva kwesikhathi esisuke silindelekile. Ngokujwayelekile izinhlobo ezahlukene zombila ziphila isikhathi esilinganiselwa ezinsukwini ezingu 100 kuya kwezingu 120 kusukela zitshalwe kuze kube ziyavunwa. Kodwa-ke imvelo nokunye kuba nomthelela ekutheni umbila uzovunwa ngasiphi isikhathi, okubalwa kukho umkhiqizo noma umsebenzi ozosetshenziselwa wona umbila.

Nge-season ka 2022/2023 izinto ziwuhambe kahle umphakathi otshalayo ngaphansi kwe-Ncora Irrigation Scheme. Le-season iqale kahle lapho umbila ophuzi ubukeka umuhle kakhulu. Ngokusho kosihlalo we-CPA, Umnuz. Ace Thosholo, kuma-hectare angu 25 abetshaliwe ombila ophuzi, amathani angu-72 ombila athunyelwe ku-Amadlelo Dairy Farm okungenise imali efike ku R274 680.00. Amadlelo Dairy Farm asebenzise inani le-SAFEX lombila ophuzi elilinganiselwa ku R3 815. Sebeqashe abantu

abangu-20 abangamalungu omphakathi waseNcora, lapho umsebenzi ngamunye ubethola isinxephezelo sika R500 ngeviki. Ngosuku bebekhokhelwa uR100, ngokusebenza kusukela ngo 08h00 kuya ku 17h00 ntambama. Umbila ovuniwe ophuzi ugcinwa ngemuva kwengadi kaSihlalo, kanti uma ungabekwanga ngendlela efanele lombila uyonakala noma ungabe usakulungela ukusetshenziswa ngabantu nezilwane.

Iphrojekthi yeMzola Agro-mix isebenzisa uhlelo lokuvuna ngezandla. Ngaphezulu kwalokho, uhlelo lokuvuna ngezandla lusetshenziswa kuphela emasimini amancane kakhulu nasezingadini lapho umbila uvunelwa ukusetshenziswa abantu noma uzokwenziwa ukudla kwezilwane zemfuyo enkampanini yaMadlelo Dairy.

Lendlela yokuvuna iyonga izindleko nesikhathi ngoba umuntu oyedwa edinga amahora asuka ku 30 kuya kwangu 100 ukuvuna i-hectare elilodwa lombila.

I-SAFDA ne-CPA banesifiso sokuba nemishini yokuvuna yabo, noma abazokwazi ukuyiboleka ezobe ihambisa no-operator onesipiliyoni ngezikhathi zokuvuna kule-season ezayo ngoba indawo abayitshalayo izokwandiswa ngama-hectare angu-100. Umbila isikhathi esiningi uwiswa ngemishini eyahlukene. Uma umbila ungaphathwa ngendlela ngemuva kokuvunwa lokho kuyayilimaza ikhwalithi yawo.

Izincomo ze-season elandelayo yokuvuna

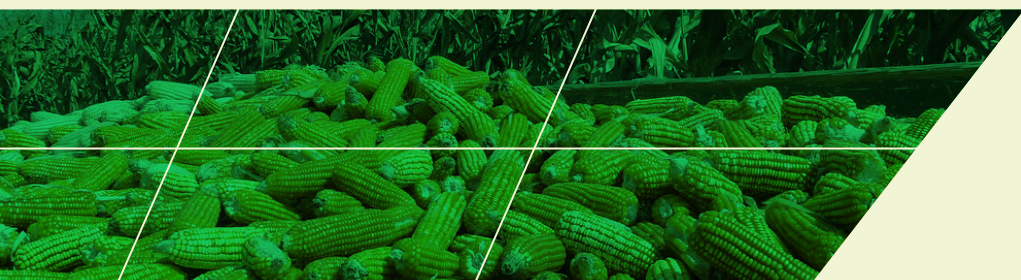

- Ukuqinisekisa ukuthi banendawo enhle yokubeka umbila ovuniwe ngaphambi

kokuqala umsebenzi wokuvuna. Noma ngabe isakhiwo sesikhashana.

- Ukwenza isiqiniseko sokuthi izikhwebu zome ngendlela efanele ngaphambi kokuhluba umbila.

- Ukugcina umbila osuvuniwe endaweni ephephile futhi eyomile. Uma kuhlelwe ukuthi umbila uzobekwa isikhathi eside kufanele ufuthwe ngamaphilisi afanele futhi umbozwe ngezikhwama ezifanele.

Wonke umzamo abawenzayo uzokwenza umehluko omkhulu kwinani kanye nekhwalithi yombila abazowukhiqiza kanye nabazowuvuna. Uma amanani ephansi njengoba ephansi manje ngokwe-SAFEX price, konke lokhu kwenza umehluko kwinzuzo engenayo.

Iphrojekthi yeMzola Agro-mix isebenzisa uhlelo lokuvuna ngezandla.

KUVAKASHELWE AMAKHOMISHANA ENKOMFA YE-SAFDA LAND REFORM INDABA

Nkosinathi Phakathi
Senior Agricultural Economist

Isicelo sokuthi i-South African Farmers Development Association (SAFDA) ingenelele ezinhlelweni zohlelo lokubuyiswa komhlaba siphakanyelwe ngonyaka ka 2019 lapho lenhlangano isingathe khona inkomfa yokudingida izindaba ezithinta ukubuyiswa komhlaba eWhite River, Nelspruit, esifundazweni saseMpumalanga kusukela ngo 24 kuya ku 25 Septhemba 2019. Kulenkomfa abadlala indima abahlukeni baphume ngobuningi babo futhi bazinikela ezingxoxweni

ebezikhona. izingqinamba kwalenkomfa amaphrojekthi kohlelo lokubuyiselwa komhlaba embonini kashukela yonkana, kodwa bekugxilwe kakhulu kwi Mpumalanga Restitution Land Reform projects (okungama-Community Property Associations-CPA nama-Community Trust). Lenkomfa ibithanyelwe ama-claimants wonke ayisishagalombili aseMpumalanga. Lapha sibala i-Matsamo CPA, i-Mawewe CPA, i-Mhlaba Trust, Libuyile Community Trust, Ingwenyama Simhulu Trust, Bambanani Mlambo Trust (BMT), Mjejane Trust, kanye nePhrojekthi eyasungulwa abe-RCL, i-Siyathuthuka Estate Farm.

Lenkomfa ibigxile ekubambisaneni phakathi kwama-claimants nophathina awo abahlukeni, ajwayele ukwenzeka phakathi kwawo ama-claimants nalabo abebephethe amapulazi

abamhlophe. Usuku lokuqala lalenkomfa belugxile ekubhekeni ubudlelwano phakathi kwezinhlela kumapulazi, ezibambisene yokubona ngenhloso ohlomulayo ukuthi ubani ohlomulayo kulezivumelwano. Ubuholi obuvela kwimiphakathi yama-claimants, okungama JV partners, aveze umbiko ngendlela okusetshenziswana ngayo obubala izindlela zokwenza umkhiqizo, imihlomulo etholakele, ukuthuthukiswa kwamakhono kanye nokuphathwa kwama-JV. Ngosuku lwesibili kudingidwe izinhlelo eziholwa uhulumeni kanye nezinkampani ezizimele ngenhloso yokuthuthukisa umnotho wesifunda. Kuphinde kwakhulunywa ngokwethulwa kwezitshalo ezinamanani aphezulu emapulazini ababuyiselwa umhlaba, namathuba okutshala ezinye izitshalo zokudla. Lombiko uthathelwe ezingxoxweni ezibekhona ngezikhathi zekhefu kulenkomfa futhi uhlose

ukubheka inqubekela-phambili kanye nezihibe ezibekhona kuleminyaka emine ngemuva kwalenkomfa esingathwe i-SAFDA.

I-SAFDA yethulwae Mpumalanga ngo 2017 yabe isiqala ukusebenza ngonyaka ka 2018. Ngonyaka wokuqala kusebenza i-SAFDA eNkomazi, izinselelo eziningi ezithinta ukuphathwa kwamaphrojekthi angaphansi kohlelo lokubuyiselwa komhlaba ziveziwe. officially started operating in the year 2018. Namaphrojekthi aveze izinselelo abhekana nazo Kwimibiko yawo ehlukeni, okubalwa kukho ukungangeni kwabantu abaningi ezinhlelweni zomsebenzi, izikweletu eziningi ngaphansi kwesivumelwano se-JV, Ukungabikhona kwabaholi abaphezulu (abavela emphakathini) ekuphathweni kwamapulazi nasezikhundleni ezinamandla okwenza izinqumo, ukungabi khona kosizo ngemuva kokunikezwa umhlaba, kanye nokungadluliselwa kwamakhono, ukubala izinselelo ezimbalwa.

Isimo samanje sokubuyiselwa komhlaba

Umkhakha wokubuyiswa komhlaba eNkomazi ubone ukwehla kwezinga ngenxa yezingqinamba eziningi kuleminyaka emithathu. Amaphrojekthi amathathu aphoqeleke ukuthi ashintshe izinhlelo zokuphathwa ngenxa yezimo ebezingalindelekile kusukela ekushoneni kwabaholi kanye nokungaboni ngaso linye phakathi kwamaqembu okuholele ekutheni kube negebe kubuholi balezinhlelo. Lezimo zidale ukungazinzi kwezinhlelo zobuholi zalamaphrojekthi noma amanye elulama, kodwa ukubuyela kwawo esimweni esifanele kuthatha isikhathi

eside. Kumaphrojekthi ayisishagalombili angaphansi kohlelo lokubuyiswa komhlaba abeyingxenyengqungquthela ye-SAFDA Land Reform Indaba, mane kuphela asasebenza, amanye asalulama kanti amanye afakwe ngaphansi kwe-administration.

Sibheka okudingidwe kwinkomfa ye-Land Reform

Inkomfa yeSAFDA Land Reform ikhiqize izithelo, amakhomishana athile kanye nezixazululo. Lenkomfa ikhiphe amakhomishana amahlanu. Ikhomishana yokuqala igxile kwizivumelwano zokuphatha kwamabhizinisi ngokubambisana.

- Ngaphansi kohlu lwezinto okumele zenziwe kwikhomashana yokuqala, kubalwe ukubhekwa kabusha kwezivumelwano ze-JV (Joint Venture), ukubuyekezwa kobunikazi kwezinhlelo ze-JV, ukubuyekezwa kokongamelwa ngokulingana nobulunga, ukubuyekezwa kwemigomo yokuqashwa kanye neminye imithetho ekhona kuma-JV, ukuncishiswa kwezindleko zokwenza imisebenzi kanye nokutholakala kwezinsiza zokwenza umsebenzi.

- Ikhomishana yesibili igxile ekuhlelweni kabusha kwezikweletu ngemuva kokwenza ama-audit emalimboleko. Kuningi okuhlongoziwe ukuthi kwenziwe ukuze kuncishiswe izikweletu yama-JV amaningi, nalapho i-SAFDA izozama khona ukuxhumana nezinhlelo zikahulumeni, I-SARS kanye ne-Department of Rural Development and Land Reform (DRDLR) ukuze kuncishiswe okanye kunikezwe ikhefu ama-JV anezikweletu ezinkulu. I-SAFDA ibizophinda ixhumane ne-DRDLR ukuze isize ngemali

yokwenza umkhiqizo.

- Ikhomishana yesithathu ibizogxila ekuthuthukisweni kwamakhono kuma-JV ukuze amalungu omphakathi akwazi ukuba sezikhundleni ezinamandla okwenza izinqumo kulamabhizinisi. Ngesikhathi kuqhubeka lenkomfa kubonakale ukuthi izinhlelo zokuthuthukiswa kwamakhono zikhona kuphela emaphepheni kwamanye ama-JV kodwa amanye abengenazo nhlobo. Kubonakale kunesidingo zokwenza i-audit kumakhono okuyinto i-SAFDA ezibophezele kuyo, nalapho okuzokwakhiwa khona ithimba elizobhekelela ukuthuthukiswa kwamakhono kulamaphrojekthi omphakathi.

- Ikhomishana yesine kube ngeyokuthuthukiswa kwamabhizinisi kanye nokufaka amalunga omphakathi kulamabhizinisi. Umbiko othulwe amaphrojekthi uveze ukuthi abekho abantu abayingxenyengqungquthela yomsebenzi wokulima umoba futhi azikho izinhlelo zokufaka osomabhizinisi kulomsebenzi. Kuhlangozwe ukuthi kukhishwe izinhlelo zokuthuthukisa amabhizinisi ezizodluliselwa ku-MEC Wokuthuthukiswa koMnotho kulesifundazwe. Kuzobhekwa neminye imisebenzi engenziwa ukuze kungeniswe imali.

- Ikhomishana yesihlanu yona igxile ekuphathweni komhlaba, amabhizinisi kanye nezinhlelo zokuthuthukiswa kwemiphakathi kulama-partnerships. Imibiko ethulwe amaphrojekthi iveze ukuthi imali etholwe abahlomulayo ibishabalala futhi iningi layo beyitholakala ngokuqashisa umhlaba hhayi ngenzuzo yama-partnerships. Kuhlangozwe ukuthi kwakhiwe isigungu esizoxazulula izingxabano nokungaboni ngaso linye

ngaphakathi nasezindabeni zangaphandle.

Kuphume okuhle ngemuva kweminyaka emine kwasingathwa inkomfa

Konke okufanele kwenziwe okuvunyelwene ngakho kwinkomfa ye-SAFDA Land Reform ngeshwa kuthunazwe i-Covid 19 ehlasele umhlaba wonke. Izwe lonke belivalekile kungahambeki futhi imihlangano ingavumelekile. Imithetho yokunyakaza ebibekiwe ibenomthelela ongemuhle emnothweni yamazwe ngamazwe, okuholele ekutheni eminye imisebenzi obekuvunyelwene ngayo ingenzeki. Noma kunjalo, kuningi okuhle okwenzekile noma bekunezinselelo ezilethwe i-Covid 19. Ngo 2018/19

kokuqala kwe-Covid 19 yabe isithulwa ngempumelelo ngesikhathi kuqhubeka i-Covid 19, ngesikhathi i-Matsamo CPA yabuyikezwa futhi yathunyelwa ngesikhathi se-Covid 19 yabe isigunyazwa ngemuva kwe-Covid 19. Uhlelo lwe-LDS lunikezwa amaphrojekthi aphethwe ngokuphelele umphakathi okuyinto ekhuthaza ukuthi lemiphakathi izibambeke ngokwayo amafamu (Imiphakathi izama ukuyeka ukwakha ukubambisana ebhizinisini uma umphakathi ungahlomula).

Izinhlelo zokubuyiselwa komhlaba zimiswe ubhubhane kwe-Covid 19, kodwa sesibone amanye amafamu edluliselwe ngempumelelo okwenzeke kumaphrojekthi aseNkomazi.

beyingexenye yalamaphrojekthi kweminye imiphakathi. Izinhlelo zabaphathi abaphezulu kwamanye amaphrojekthi sezibuyikeziwe ikakhulukazi kulamaphrojekthi angenazo izinkinga ezinkulu.

I-SAFDA isinikezwe ithuba lokusiza amaphrojekthi amaningi angaphansi kohlelo lokubuyiselwa umhlaba ngonyaka wezimali ka 2023/24 ngaphansi kohlelo lwe-LDS. I-SAFDA izokwenza lomsebenzi nangaphandle kwemboni kashukela njengoba kukhona amaphrojekthi azogxila kwimikhiqizo ehlukene asizwa yi-SAFDA ezindaweni zaseBarberton ngaphansi koMjindini Municipality. Amaphrojekthi amabili aseNkomazi Municipality asezinhlalweni zokuhlomula ngaphansi kohlelo lwe-LDS kulonyaka wezimali, nalapho ukuhlolwa kwamafamu, ama-business plan kanye nokuthuthukiswa kwawo sekumi ngomumo.

Ukuphetha, kukhona umsebenzi okusamele wenziwe ngokwesivumelwano ezenziwe kulenkomfa. I-SAFDA isebenze ngokuzikhandla ukuvuselela umsebenzi ongaphansi kohlelo lokubuyiswa komhlaba eNkomazi. Ukuya phambili kunezinhlalo zokusungula uhlelo lokuvuselela izinhlangano zokubuyiselwa komhlaba futhi lomsebenzi uzolandeelwa njengoba amaphrojekthi aseshintshiwe futhi asesebenza kahle. Konke okuvunyelwene ngakho kulenkomfa kuzolandeelwa ukuze kuqinisekise ukuthi amaphrojekthi ayazenza futhi ayakhula. I-SAFDA Mpumalanga isahlalelwe umsebenzi omkhulu wokulungisa izinhlangano ezingaphansi kohlelo lokubuyiselwa komhlaba eNkomazi.

abe-DALRRD bathule uhlelo lwe-Land Development Support (LDS) ngemuva kokumiswa kwe-Recapitalization and Development Programme (RECAP) ngo 2017/18. Ukwethulwa kwe-LDS kuhambisane nezinye izinto ebezidingidwa ngesikhathi kuqhubeka lenkomfa, okubalwa kukho ukunyusa izinga ngemali yoxhaso evela emnyangweni. Ngisho ngesikhathi se-Covid 19, i-SAFDA ikwazile ukuthumela ama-business plan e-LDS ukuze kusizakale amaphrojekthi omphakathi amabili okuyiBambanani Mlambo Trust ne-Matsamo CPA okulethe imiphumela emihle. I-Business plan ye-BMT yagunyazwa ngaphambi

Izinto eziningi okuvunyelwene ngazo neziphakanyiswe i-SAFDA zike zama kodwa kukhona okuhle osekwenzekile njengama-business plan ohlelo lwe-LDS, ama-workshopenzelwe ubuholi bama-Land reform Project, kanye nokuqeqeshwa ngokuphathwa kwezimali nebhizinisi okulandele ngemuva kwenkomfa ka 2019. IBambanani Mlambo Trust kanye Matsamo CPA iwona kuphela amaphrojekthi asefinyelele esigabeni esiphezulu ekwenzeni izinto okuvunyelwene ngazo kulenkomfa. Lamaphrojekthi asezipambeke ngokwawo lamafamu amasha asanda kuwathola. Sekubonakala osonkontileka abaningi

UMTHELELA WAMANANI APHEZULU KAPHETHILOMU NODIZILI KUBALIMI

Kubalulekile ukuthi sibheke ukunyuka kwamanani kadizili nophethilomu sikuhlanganise nokunyuka kwamanani kamanyolo namakhemikhali.

Njengoba kuqala kusaqala isikhathi sokutshala, abalimi kufanele babhekane namanani kaphethilomu nodizili anyukayo. Ngenyanga ka Agasti kuya ku Mashi, abalimi bomoba basebenzisa lesikhathi ukulungisa amasimi kanye nokutshala umoba. Lemisebenzi idinga imishini ukuthi yenziwe, lapho kusuke kuqashwe osonkontileka bendawo. Kodwa kukhona ukukhathazeka ngalemisebenzi ngenxa yamanani anyukayo kaphethilomu.

Abalimi bomoba bathembele kakhulu koonkontileka ukuthi benze umsebenzi wokuvuna izitshalo nokudonsa umoba emasimini bawulayishe kogandaganda abanokhawu ofika kumathani angu-8 noma izinqola zokuzilayishela amathani angu-5. Uma umoba usuwehlisiwe kwi-loading zone, ube usulayishwa kumaloli ka 28 kuya ku 34 ton, wona abe esethumela umoba emishinini ehlukene. Inani likadizili ilona

elikhapha i-rate osonkontileka abayibeka kubalimi. Ngaso sonke isikhathi uma amanani kaphethilomu enyuka, osonkontileka babuyekeze i-rate yabo futhi bayinyuse ukuze baqhubeke namabhizinisi abo, lokhu bakwenza ngaphandle kokubheka umthelela ozobakhona kumabhizinisi ezolimo.

Kubalulekile ukuthi sibheke ukunyuka kwamanani kadizili nophethilomu sikuhlanganise nokunyuka kwamanani kamanyolo namakhemikhali. Ukunyuka kwaphethilomu kuze kuphoqe abalimi ukuthi banciphise noma bame ukukhulisa izitshalo zabo ngomanyolo nangamakhemikhali. Lokhu kuholela ekuncipheni kwamathani athunyelwayo nge-season elandelayo. Uma ithani liphansi liholela ekutheni kungene inzuzo encane. Ukuze baphile abalimi kuyophoqe ukuthi banciphise inani labasebenzi emasimini

noma banciphise amahora okusebenza ngosuku. Okunye okuyingozi ukuthi abalimi kufanele benze isabelomali ngaphambi kwesikhathi, uma kunyuka amanani kaphethilomu kanye nezindleko zokusebenza, abalimi bayaphoqe ukuthi bathole izimali zokusebenza maphakathi ne-season, okuyinto enzima ngoba abanye abalimi bayasokola ukuthola izimali ngenxa yokuthi basuke bengenazo izimfanelo.

Ukunyuka kwamanani kaphethilomu kunomthelela omubi kubalimi, osonkontileka, imishini egaya umoba kanye nemboni yonkana njengoba inani le-Recoverable Value (RV) linganyuki ngokufana ne-rate kadizili onyukayo.

Kulama-FPSU amasu amasha okwenza umsebenzi kubekwa phezulu.

Esifundazweni sase-KZN sekuqaliwe ukwakhiwa kwezindawo zama-FPSU. Ama-FPSU akusiwona nje izitini nezakhiwo; kodwa awuphawu lwentuthuko, ukuzinza kwamabhizinisi nemboni kanye nokuzinikela okukhonjiswa izinhla ezahlukene ekuthuthukiseni umsebenzi wasemasimi emiphakathi yethu. Ngosuku nosuku oludlulayo, impumelelo iyasondela kubalimi abahlukene abasembonini yezolimo.

Kulama-FPSU amasu amasha okwenza umsebenzi kubekwa phezulu. Ingqalasizinda esezingeni eliphezulu yenzelwe ukunikeza abalimi amathuluzi nolwazi abaludingayo ukuze baphumelele. Lapha kubalwa izindlela ezintsha zokulima, ukuphathwa kwamabhizinisi akhulayo nazinzile kanye namathuba okungena ezimakethe ezintsha, okuyizona zonke izinto ezenza ama-FPSU abe ithemba elikhulu kumphakathi wezolimo.

Kuleminyaka embalwa edlule, I-SAFDA ibihamba phambili ezinhlelweni ezihlose ukuthuthukisa umkhakha wezolimo eNingizimu Afrika

Kuleminyaka embalwa edlule, I-SAFDA ibihamba phambili ezinhlelweni ezihlose ukuthuthukisa umkhakha wezolimo eNingizimu Afrika. Ukubambisana kwethu ne-Department of Agriculture, Land Reform and Rural Development ekusungulweni kwephrojekthi yama-FPSU sekuholele ekuvuselelweni kwamahhovisi amaningi abalimi emiphakathini ehlukeni eKomati naseMalelani. Umthelela wokulungiswa kwalezakhiwo mkhulu okwedlula ukubukeka kwezakhiwo; kodwa ukhombisa inqubekela phambili kanye nomsebenzi omuhle ongenziwa kulezindawo zokulima.

Amahhovisi avuselelwe ase-Walda, Mfumfane, Figtree C&D ne-Figree A asephenduke izindawo ezimqoka kubalimi, njengoba ebanikeza indawo efanele yokuhlela umsebenzi, ukusebenzisana kanye nokuthola izinsiza zokusebenza ezibalulekile ukuze baphumelele. Lephrojekthi

yokuvuselela amahhovisi ayilungisi nje kuphela izakhiwo; kodwa ikhombisa ukuzinikela emsebenzini wokuthuthukisa abalimi bendawo kanye nokukhulisa lemboni ebalulekile kumnotho wakulelizwe.

Impumelelo yalephrojekthi ilethe inhlansi yethimba ngaphakathi kulomphakathi. Abalimi bendawo babona lomsebenzi ungaphezulu kokulungiswa kwezakhiwo, kodwa bakubona kuwuphawu lwethemba, amathuba kanye nenqubekela phambili. Abalimi sebeyakwazi ukuthola usizo olwenza babhekane

kangcono nezinsalelo zansuku zonke, kusukela ekunakekelweni kwezitshalo, ukufinyelela kwezimakethe kanye nokusetshenziswa kobuchwepheshe.
